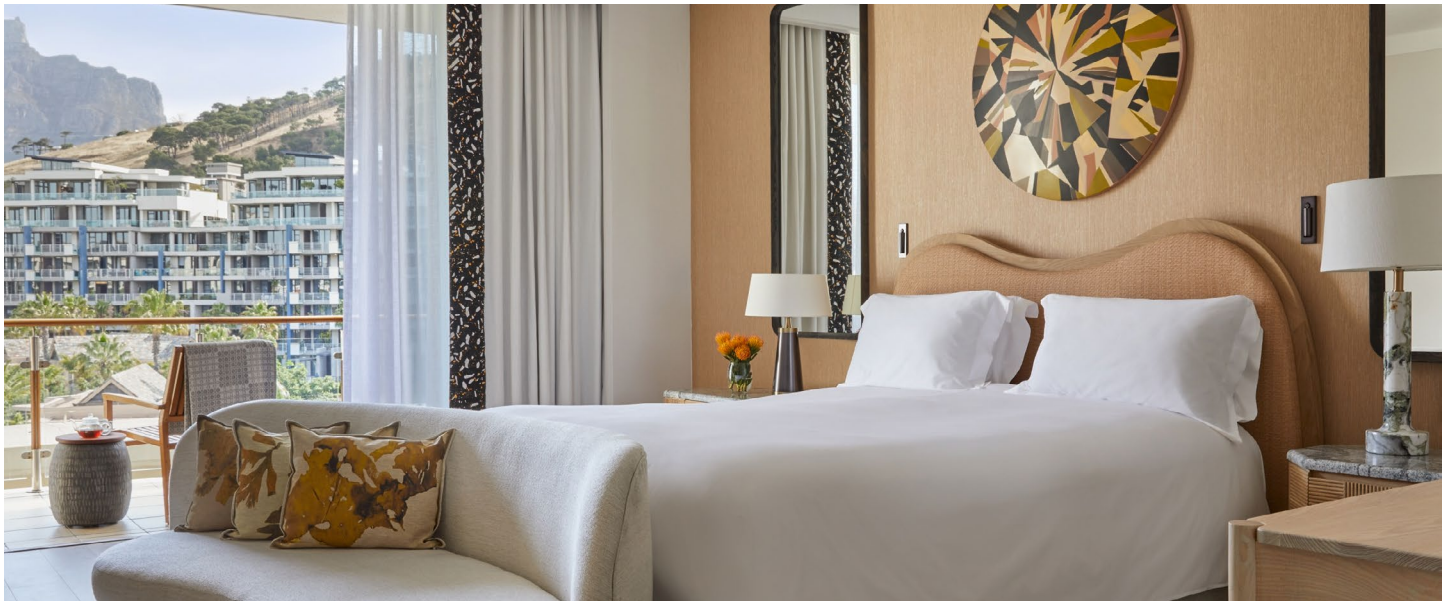
MARINA TABLE MOUNTAIN ROOM



All 39 Marina Table Mountain Rooms (63m²/678ft²) in the crescent-shaped Marina rise building, offer exceptional views from a large private balcony of Cape Town's iconic Table Mountain. Each has undergone an extensive interior refurbishment, crafted using thoughtful textures and organic materials, working to create not only a space, but a whole experience and story. Enter and be greeted by warm lighting, an earthy colour scheme and a mud cloth adorned entrance, whose fabric inspired by the traditional Mali creates an authentically African welcome. The space is a perfect blend of nature and design, modernity, and tradition. Every element was carefully considered, such as the painstakingly hand-painted dome shaped gemstone depiction piece above the curved headboard of the bed, the handmade ceramics representing the textures and colours of Table Mountain and the beaded pots representative of the vessels carried on the heads of the people of Africa, transporting the lifeblood of earth - water - to their families. With either an inviting king bed or two queen beds, these spacious rooms are also able to inter-lead, creating for the ideal, luxury living that allows for all to enjoy the space as a family-style room. Each room offers a generous bathroom with a rain shower, a freestanding egg-shaped bath, dual marble vanities and a private water closet. The bathrooms are connected to a stylish closet, that includes a full-length mirror and multiple amenities.
