As such, guests should have sufficient and applicable travel insurance in place for this.

GREAT PLAINS CONSERVATION CHILD POLICY

- All our camps welcome children from 6 years. Children always refer to those aged 6 to 15 years of age. Adult rates apply to children aged 16 years and older. Please refer to the applicable child policy section on each camp's page. Participation in safari viewing activities remains at the camp manager's discretion.
- Triple accommodation refers to two adults sharing with one child, or one adult sharing with two children.
- These general guidelines apply to all the Great Plains Conservation properties concerning children and families, where applicable:
- Families at all our camps may be on shared activities with other guests.
- Children 15 and younger must share a room with at least one adult.
- Each of our camps has a unique child policy based on the size, location and structure of the camp. The child sharing rates are based on the allowable number of children that a property's specific room can accommodate. Please refer to the individual camp pages and the Accommodation Occupancy Guidelines for details on how child rates are charged.
- We evaluate each booking to ensure we deliver the best possible safari experience to all our guests in camp.
- Our camps are located in wildlife zones that are not fenced in, and there are no childcare facilities in our camps. Parents/guardians must be watchful of and responsible for their children at all times.
- Our child policy summary in terms of wildlife experience activities is as follows:

BOTSWANA & ZIMBABWE

- Scheduled wildlife viewing activities, including safari drives, guided walks, and power boating, are available to guests from 6 years when accompanied by their parents or guardians. Canoe and mokoro activities specifically welcome guests aged 8 years and above.

KENYA

- Guests of all ages are welcome to participate in all scheduled wildlife viewing activities.
- Walking activities are not possible at our Maasai Mara-based camps. The walking activity at ol Donyo Lodge is available to all guests, at the manager's and guide's discretion.
- Horse riding is available to guests from 12 years old, and riders need to be experienced horse riders with previous experience riding horses. Regrettably, no beginners or intermediate riders can be accommodated.
