Our expert guides will use their extensive experience in wildlife behaviour to try to get you into the best position for the shot of a lifetime. At 8Beyond Sandibe Okavango Safari Lodge, our customisable vehicles come with charging points for camera equipment and camera bean bags on clamps, providing excellent support for any camera and lens combination.

6

SCENIC HELICOPTER FLIGHTS

Take to the skies for a bird's-eye view over the Okavango Delta's signature of blue waters against the green and brown tapestry of papyrus fringed islands and open floodplains. From these heights, even those far-flung and inaccessible corners of the Delta can be seen, fully showcasing the incredible diversity of landscapes and wildlife.

7

STARGAZING

Gaze at the Southern Hemisphere's night skies in complete awe. With little to no light pollution in the area, you will be amazed by what is above. Take a closer look at the planets and constellations with your guide while out on a drive, or sit out on your private deck at night and see if you are able to spot a lucky shooting star.

8

BIRDING

Botswana is a top African birding destination, with the waters in the Okavango offering great year-round diversity. Guests flock to the area in search of several specials such as the Pel's fishing owl, African pygmy goose, lesser jacana and slaty egret, to mention just a few. Our knowledgeable guides enjoy the challenge of finding your particular favourites.

Within the Delta, water levels change yearly. Enjoy these seasonal experiences at Nxabega Okavango Tented Camp and Xaranna Okavango Delta Camp.

1

MOKORO ADVENTURES

Pastel-coloured lilies float upon verdant lily pads, butterflies captivate with their iridescent wings and tiny painted frogs cling to the reeds as you take to the tranquil waterways in a traditional mokoro (dugout canoe). Keep a careful look out for the variety of fish darting through the crystal-clear water below you.

2

CATCH-AND-RELEASE FISHING

The best catch-and-release fishing excursions take place from ♻️Beyond Nxabega Okavango Tented Camp due to its proximity to the Panhandle region. Here, the Okavango River feeds into the labyrinth of channels and lagoons that makes up the heart of the Delta wetland. Try your hand at catching a variety of fish, including the predatory tiger fish.

3

MOTORISED BOAT CRUISES

Explore the Okavango Delta's intricate network of winding channels and opaque lagoons on board a sleek, motorised boat that covers great distances, showcasing magnificent views of the watery landscape. The unique perspective from the boat offers great sightings of pods of hippos, wildlife attracted to the water's edge and beautiful birdlife.

Everything we do at &Beyond is centred around our core ethos of 'Care of the Land, Wildlife and People' and we strive to provide a truly authentic experience.

1

COMMUNITY VISIT

Enquire about this feel-good community excursion to the Sexaxa Village, outside of Maun. On the day of your departure, go see the work that &Beyond and Wild Impact*, our long-standing community and conservation development partner, have completed at the Sexaxa School. It is with our guests' support that this inspiring project has flourished, and now young children no longer need to walk a total of 10km (6mi.) to get to and from school each day. Please note that this excursion depends on your departure time.

2

BEHIND-THE-SCENES SUSTAINABILITY TOUR

We would love to show you our sustainability story. From installing the first solar power plant in the Delta at &Beyond Sandibe in 2014, to using a solar photovoltaic (PV) hybrid system at &Beyond Xaranna, the first of its kind in Botswana, with Tesla Powerpack Battery Energy Storage System technology. Audits, heating systems, water bottling plants, wastewater management - we're committed to reducing our direct carbon footprint.

3

LOCAL CRAFTS

Browse through our Safari Shops and expect to find a range of quality, handpicked handicrafts and fashion wear that showcases the very best of Botswana. Peruse their range of excellent eco-souvenirs; a portion of your purchase will support local community or conservation initiatives.
