2025 EPIC EXPERIENCES RATES GUIDELINES

The rates in this document are designed to be a guideline only.

These itineraries are created to inspire. Each Epic Experience itinerary can be customised according to the travellers time and budget.

The short Epic Experiences itineraries (3 – 4 nights) are designed to be added onto any Botswana safari but can be incorporated into Desert & Delta Safaris packages to make use of the long-stay rates such as the BODDS Stay 8 pay 7 package valid all year round.

Please contact info@desertdelta.com to make your request and start building your Epic Experience itinerary.

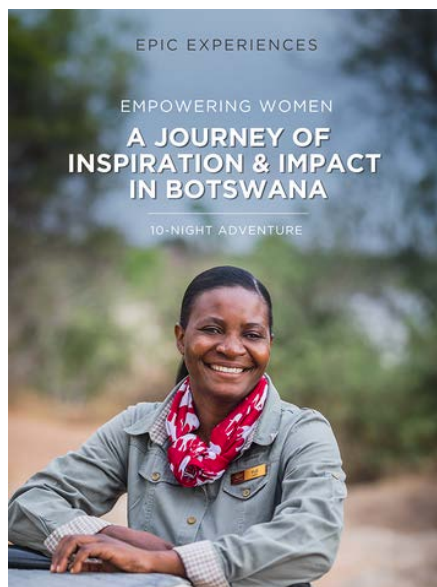

NOTE: Costings for these itineraries are **per person, based on 4-adults** (2-rooms) sharing. Smaller groups will incur a slightly higher rate due to cost of private activities/specialist guide fees covered by fewer guests. Equally, reduced rates are available for larger groups.

INDULGE YOUR SENSES. IGNITE YOUR SPIRIT.
