Chobe Elephant Camp

Situated on a rocky ridge overlooking the spectacular Chobe River Floodplains, Chobe Elephant Camp offers guests ample opportunities to explore the wild surroundings while providing a stunning viewpoint onto one of Botswana's renowned reserve parks. This eco-friendly lodge presents an original contemporary African design reminiscent of the quintessential sub-Saharan farmsteads.

Chobe Elephant Camp accommodates up to 36 guests in eighteen chalets, 12 of which are entirely built out of sandbags from the red Kalahari sands that dominate the northern part of Botswana. All rooms are en-suite with both indoor and outdoor showers and have private verandas to fully enjoy the views and surroundings. The lodge also boasts a large open-plan main area featuring a cosy arrangement of couches and a reading corner. Travellers can unwind at the bar or the swimming pool. A variety of activities are on offer including morning or afternoon game drives in the open safari vehicles for those that seek to spot wildlife. A trip can be arranged for wildlife sightings by canoe along the Chobe floodplain or by boat on the Chobe River, along with excursions to the nearby village to get introduced to the local culture. The lodge is accessible by air via Kasane Airport, Victoria Falls or Livingstone Airports or by road from Savuti, Caprivi or Kasane, making the lodge an ideally positioned choice for most safari itineraries.
