SHAMWARI *rare finds*

PRIVATE GAME RESERVE · SOUTH AFRICA

Program of Events

The following times are only an indication and approximate as they may vary based on seasons and weather conditions. All lodges operate independently, each with full staff compliment including their own management team, chef brigade and experienced field guides.

Although guests may enter and exit the reserve at any time, we do suggest that guests arrive in time for lunch on their day of arrival as not to miss out on any game drives during their stay.

MAY – AUGUST (WINTER)
