

MOKUTI
ETOSHA

— *Experience* —
AFRICA RE-IMAGINED

WELCOME

Mokuti Etosha is situated right outside Von Lindequist gate near Namutoni Fort and is the closest lodge to the Etosha National Park. Located on its own private 4300 hectare nature reserve Mokuti Etosha shares a common border with this fascinating National Park. Upon arrival, a cool, green tropical oasis welcomes guests. Charming thatched buildings and three sparkling pools nestled amongst the vast indigenous gardens, give credence to the name "Mokuti", which in Ovambo means "in the forest".

A warm Namibian welcome awaits guests at this intimate 114 room lodge, with its extensive facilities including the Itulye Restaurant & Enota Safari Bar, Oshana Pool Bar, Omulio Spa, two swimming pools, separate children's splash pool, two floodlit tennis courts, gym, Ontoka Reptile Park, walking trails, private airstrip and professionally guided game viewing safaris into Etosha National Park. Mokuti Etosha boasts four waterholes on our property which can be enjoyed on our scenic sundowner or night drive.

At Mokuti, food is a feature that envelops guests in wonderfully aromatic smells (of chargrilled meats.) World-class meals are prepared to perfection with re-imagined dishes that blend a variety of flavours.

**"WE INVITE YOU TO
INDULGE IN THE GLORIOUS
PEACE AND QUIET."**

At night guests share stories, after enjoying a delicious dinner in our Itulye Restaurant, under the towering trees or away in the bush. When guests eventually make their way along winding pathways back to their rooms, they frequently encounter our resident herd of placid bontebok and the next morning, our squirrels who insist on sharing their breakfast.
