10 km south of Andersson Gate on the C 38 (Etosha National Park)

Down to earth, relaxed, innovative and charming are Etosha Safari Camp's alluring qualities - and of course, its proximity to Etosha National Park. This friendly safari camp has cosy accommodation set between the mopane trees, an inviting circular swimming pool, a lush green campsite and ample character. Extending the theme of Etosha as being a 'Place of Legends', Etosha Safari Camp takes it one step further by bringing home the story and spirit of Africa. And the result is - legendary! Here, the typical informal bar or shebeen, well-known and beloved throughout southern Africa, is given expression in the Okambashu ('Our home') restaurant and Oshebeena bar with local colour and country bric-a-brac.

A delicious array of food is laid out on an old train compartment. Guests have a choice of dining in the intriguing 'township' dining rooms, around fireplaces in the cooler months or outside in the courtyard where The Etosha Boys strum guitars and sing lively local songs. African wildlife takes priority during the day at this Etosha camp, only a short drive from Andersson Gate, the portal to the magnificence of the animal kingdom.

Explore the national park on your own or join our professional guides for an enlightening and informative wildlife journey. Or do both, with a break in the day for a siesta at the Camp. From the black-faced impala to the wizened elephant giants and lion kings, the wild world is simply spellbinding. As the end of the day approaches, race the sun home to Etosha Safari Camp to laughter, comfort and good cheer. Tap toes to the beat of Africa.
