# MAASAI BLESSINGS

We have had the pleasure of organizing many beautiful blessings for our guests - from small, simple ceremonies, involving a champagne celebration at the end of a game drive, to larger 3 day events with up to 36 guests.

A stylishly simple ceremony, led by a Maasai elder,  
coupled with the vibrant colours of Maasai dancing and celebrations.

Away from the crowds yet amidst the herds!

This requires very little paperwork and no official certificates are supplied.

The 'bride' and 'groom' are both adorned in traditional Maasai regalia and the entire village joins in your celebration! The traditional ceremony is complete with gourmet dinner and a mouth-watering cake of your choice.
