EXPERIENCES AT TAASA LODGE

Discover the soul of the Serengeti with our signature TAASA Moments, thoughtfully included in your stay.

SAFARI WITHOUT LIMITATIONS

Embark on a journey beyond the ordinary. Our safari experience is defined by freedom, utilizing open-sided 4x4 vehicles that offer an uninterrupted, 360-degree view of Africa's legendary wilderness. At TAASA Lodge, we are also permitted to drive off-road. This means that here, you aren't just a spectator; you are fully immersed in the rhythm of the wild - hearing every rustle, catching the scent of the earth, and capturing breathtaking photography as you track elusive wildlife up close.

NIGHTTIME GAME DRIVES

Our nighttime game drives offer a rare opportunity to witness the mystery of the African bush after dark, using specialized spotlights to find elusive nocturnal creatures. This is the time when the great predators begin their hunt and the smaller, shy species emerge from the shadows. Guided by our expert trackers, you'll experience the thrill of the wild under a blanket of stars, listening to the nocturnal chorus and seeing the savannah through a completely different and absolutely exhilarating lens.

MAASAI VILLAGE VISITS

Step into the vibrant heart of local culture with a visit to a traditional Maasai Boma, belonging to select TAASA staff members. This immersive experience offers a genuine window into the lives of the iconic Maasai people, whose heritage is deeply interwoven with this landscape. You'll be welcomed into their village to learn about their ancient customs, followed by a visit to a local Maasai school. It is a profound cultural exchange that fosters a deeper understanding of the harmony between the Maasai people, their livestock, and the wild environment they call home.

BOMA DINNER - *Weather pending*

Begin your evening with a breathtaking sundowner, watching the horizon ignite as the day fades into a golden twilight. The magic continues at the lodge with a vibrant display of traditional Maasai dancing, leading you into a festive Boma dinner. Gather around the crackling bonfire to share stories over drinks and appetizers before indulging in a gourmet feast served under a canopy of a thousand stars - an enchanting experience designed to help you slow down and reconnect with the rhythm of the natural world.

BUSH BREAKFAST - *Weather pending*

Begin your morning in the heart of the wild with an unforgettable breakfast in the bush. As the savannah awakens and the early light bathes the plains, enjoy a gourmet spread set against the backdrop of the Serengeti. There is no better way to start your day than savoring fresh coffee and a delicious meal while listening to the morning chorus of birds and watching wildlife roam freely in the distance.

BUSH SUNDOWNER - *Weather pending*

Experience the quintessential TAASA moment: the bush sundowner. As the sun begins its golden descent, our expert guides lead you to the perfect vantage point to toast to the day. Sip on a chilled cocktail and enjoy artisan snacks while the sky transforms into a vibrant palette of orange and violet, creating a backdrop of unparalleled beauty.

CONNECT WITH OUR FAMILY

At the heart of TAASA is a deep commitment to our community; 75-80% of our dedicated team hails from the surrounding Maasai villages. We invite you to engage in authentic cultural exchanges and hear the stories that define this land. These meaningful connections go beyond hospitality - by the time you depart, you won't just feel like a guest; you'll feel like part of the family.

FUN FOR THE WHOLE FAMILY

Adventure is a family affair at TAASA, where we offer a vibrant array of activities designed to engage guests of all ages. The lodge is the perfect backdrop for spirited games, including bow & arrow, jenga and soccer, providing a space for families to bond amidst the beauty of the Serengeti. Beyond the games, families can discover the secrets of the bush by identifying animal tracks while out on day safari, followed by stargazing around the firepit at night.
