

JABALI PRIVATE HOUSE

Ruaha National Park

Jabali Private House is the most sophisticated safari bolthole in southern Tanzania, offering total privacy and complete flexibility in your safari itinerary. Explore Ruaha National Park, which is home to large concentrations of lion, with your private guide and vehicle on game drives, night drives, and walking safaris. Set 200 metres from Jabali Ridge and built around three majestic baobabs, Jabali Private House is the ultimate base for a family or group of friends to experience Tanzania's wildest national park.
