

Sardine Run Tours

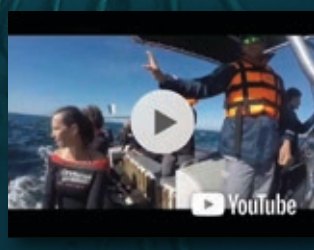

MEMBER

The Experience

Witness one of the greatest marine events on Earth — the annual Sardine Run — along South Africa's rugged Wild Coast in the Eastern Cape.

Click to Watch
Video:

Be surrounded by vast shoals of sardines and an extraordinary array of marine predators, including dolphins, sharks, whales, diving birds, game fish, and seals.

Duration: 1 or 2 weeks

Annually: May - July

The Programs

Adventure Seeker

Immerse yourself in the thrill of the Sardine Run with multiple guided snorkle sessions. Capture unforgettable moments with incredible photo & video opportunities – this is the ultimate ocean adventure!

Marine Student Course

Earn your PADI Snorkle Guide qualification while contributing to meaningful research and conservation efforts. Gain valuable field experience through hands-on marine life observation.
