Wine & Dine

Von Kamptz Restaurant

While the interiors are warm and elegant with a crackling fire and the dining room wall allowing you a peek into the kitchen's soul, the unforgettable experience is dining on the terrace. The sound of waves breaking in the not too distant Atlantic Ocean, with abundant greenery as a side attraction, completes the blissful atmosphere. From the breakfast menu that covers a seasonal continental buffet and an A'la Carte option with a twist, to lunches that are kept light and current and best served as a picnic in the shade of mature trees with the ocean as backdrop. Unpretentious dishes grace the dinner menu, with modern touches to the classics. The tender signature Chalmar Beef Fillet is the ever popular dish – either cooked on the grill, or over open fire during the summer months. Organic home grown herbs, vegetables and micro herbs clearly features as an ingredient or garnish throughout.

Private Dining

Entertainment for intimate family gatherings and smaller groups – either corporate delegates or wedding proposal dinners. With intimate venues within Earls Dyke Manor and on the terrace, we can assure you of our highest attention to detail in making your experience a success and memorable for your family and friends.

Our Famous Traditional South African Barbeque

Our "Braai" consists of a selection of traditional South African fare; cold salads, succulent meat dishes and decadent desserts. Whilst waiting for your food you can enjoy a signature cocktail and take in the breathtaking view, or amble around the lush green lawns of Earl's Dyke Manor. (Hosted from October to April on Wednesdays and Saturdays or by special arrangement.)
