to book or to get any further information.

OUR STORY

The soul of the wild surroundings infuses every detail of the lodge, through locally sourced materials, traditional Maasai patterns, and colours in harmony with the landscape. You'll feel fully immersed in the exquisite setting while enjoying premium services and facilities, including a swimming pool, gym, spa and range of gourmet restaurants.

Whether enjoying the flower-scented sunsets, breath-taking Serengeti vistas, or any of our first-rate amenities, you'll feel the magic of Africa every moment of your stay. The hotel is around 45 minutes from Seronera Airport of Serengeti National Park and 335 km from Arusha.

WALKING SAFARI

Stretch your legs on a one and a half hour walk. A walking safari in the Serengeti is an experience not to be missed.

You can explore the wildlife up close and at your own pace. Along with our guide, Maasais and rangers, you will discover the tracks of insectivorous animals and the traditional use of plants. Activity recommended to adults over the age of 18.

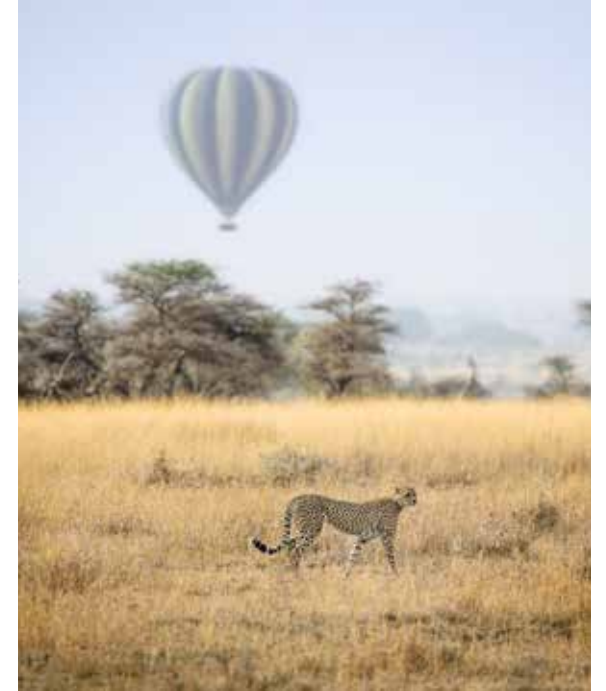

GAME DRIVES

Hop aboard a jeep and embark on the safari experience of a lifetime. This exceptional adventure drives you to the heart of the Serengeti where you'll come face-to-face with nature's most magnificent beasts in their natural habitat. The list of animals is as long as the horizon is wide, from Africa's "big five" – lions, elephants, hippos, black rhinos and buffalos – to leopards, cheetahs, hyenas, monkeys and a vast array of magnificent birds.

SERENGETI BALLOON SAFARI

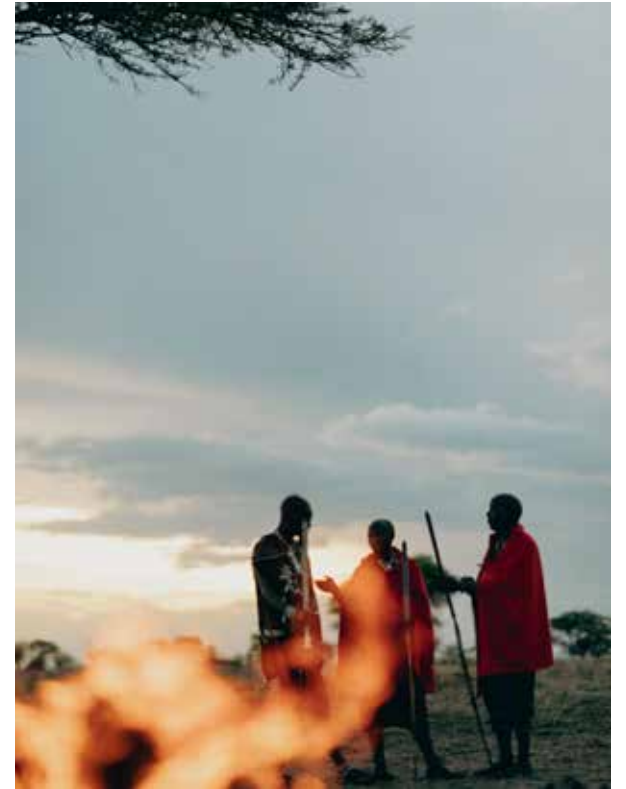

Serengeti Balloon Safaris invite you to join us in an extraordinary adventure. Float in a hot air balloon over the famous Serengeti National Park with its enchanting scenery and view.

Includes pick-up at the Lodge/night safari, balloon flight, bush breakfast, drop-off to Visitor Center in Seronera and concession fees. Pick-up in Seronera Visitors Center and transfer back to the Lodge has an additional charge.

Note that the balloon safari will pick you up from the Lodge at 04:30 am and drop you at Seronera Visitors Center around 9:30-10:00 am.

MAASAI VILLAGE VISIT AT FORT IKOMA

The Masai is one of the main tribes of this part of Africa, well-known for keeping their pastoral traditional lifestyle. The Maasai people colonized the area thanks to their traditional way of life, which allowed them to coexist with the wildlife and the environment peacefully.

Today, more than 100.000 Maasai reside in Ngorongoro Reservation Area. You will be able to visit a traditional Maasai house, the boma, where you will be able to see and participate in their cultural activities, such as the dance, house making, handcrafted ornaments and food cooking.

FULL DAY NGORONGORO CRATER SAFARI

Discover Ngorongoro Crater on a full-day and experience Tanzania's most extraordinary wildlife and landscape. Explore the 100-square mile (260 sq. km.) crater with your own safari vehicle and guide for a completely personalized experience. Watch for the staggering herds of wildebeest, zebras and gazelles that thunder through the caldera in their annual migrations and try to spot the lions and leopards that hunt them.

A BUSH BREAKFAST LUNCH OR DINNER

Enjoy one of the most memorable experiences in the Serengeti National Park. An amazing picnic in the heart of the savannah, where you can enjoy the peace and privacy of the surrounding natural environment. Choose the most stunning places to enjoy an unforgettable breakfast at sunrise, a lunch with the birds singing or a dinner framed by a red African sunset.

A ROMANTIC DINNER

Experience a unique and intimate dinner under an infinite blanket of stars. A romantic dinner prepared in our outdoor gazebo with views of the Mbalageti River Valley as a backdrop and an exquisite menu carefully prepared by our chef and customized to your tastes and preferences.

PICNIC IN THE SAVANNAH

The savannah is a magical place at any time of the day thanks to its stunning scenery and unique vegetation, acacias and grasslands. A great choice of starters, sandwiches, selection of cold cuts and desserts to enjoy while seated in the immense plains.

MAASAI PERFORMANCE SHOW

CORPORATE SOCIAL RESPONSIBILITY

SOCIAL

- Several Maasai Tribe members are part of our staff, and they proudly take part in activities related to their culture to promote and protect the Maasai heritage.
- The guestrooms items and facilities are produced by Maasai artisans and local businesses. You can find all these handicrafts at The Shop, to support the local Maasai Community.
- Collaboration with the Dada Project association from Zanzibar, supporting local women and empowering them as income-makers with their expertise in natural cosmetics, beauty products and food processing. Every product is 100% hand made with local spices like cardamom and cinnamon.
- We collaborate with the Moshi-based NGO Born to Learn, which has a school available for the children of the area and their families.
- Partnership with Mugumu village by sponsoring their annual race, The Serengeti migration marathon, and donating lodge material for their personal use.
- Local suppliers from Arusha for our KM 0 gastronomy
- We support our team members financially during childbirth and death in families.
- Traditional kitenge aprons are used in the uniforms.
- Our maasai guard is allowed to wear his traditional maasai attire.

ENVIRONMENTAL

- Solar panels & batteries that produce up to 60% of our energy and reduced in-room electric equipment.
- We produce our own drinking water, whether still or sparkling, through a bottling plant processing the water gathered at the property's water holes, avoiding transportation of products from outside of the park and additional plastic bottles.
- We reduce as much as possible the paper pieces at the hotel, taking a more digital approach to enhance the guests' experiences.
- No use plastic pens, instead we provide pencils made from recycled newspapers which are produced in Tanzania.
- We have our own incinerator to process our organic waste which is then used to produce compost that is donated to the local farmers.
- STP plant to re-use water for the environment.

The Meliá Collection is a group of exclusive hotels whose uniqueness, personality and strong local roots are their key value proposition. Ngorongoro Crater is a once-in-a lifetime natural disaster that evolve into a breathtaking experience creating a home for animals and people.
