

EXCURSIONS & SIGHTSEEING

In 2016, Zannier Hotels partnered with the N/a'an ku sê Foundation to create the Zannier Reserve, an immense nature reserve of 9000-hectares dedicated to the preservation of vulnerable and endangered species and the protection of biodiversity. All our activities are realised within this reserve. Customized experiences can be organized on demand and upon availability.

Please note that all excursions within Zannier Reserve and N/a'an ku sê must respectively be confirmed at least 4 hours and 24 hours in advance to ensure availability. All experiences are depending on seasonality and availability. Unless otherwise indicated, all prices are expressed in Namibian Dollars and per person. The prices are including of VAT.
