

## SIGNATURE WINES – DOMAINES ROGER ZANNIER

### — CHÂTEAU SAINT-MAUR CRU CLASSÉ

#### A HISTORICAL FIGURE OF THE PROVENCAL LANDSCAPE

*Situated in Cogolin, in the very heart of a beautiful natural setting, the Château Saint-Maur is steeped in the history of Provence and its wines (France). Just 10 km from Saint-Tropez, to the west of the plain that links the foothills of the impressive Maures mountain mass to the sea, the estate boasts a splendid building erected at the end of the 19th century, that evokes Moorish Spain. In the background, on top of the hill, arise the ruins of Grimaud Castle. Nestled at its feet, some packed houses and then the vineyards that cover the hillsides between scrubland and cork oaks.*
