

OMANDA

Omaanda is a luxurious lodge set within the Zannier Reserve by N/a'an ku sê, an incredible private animal conservancy reserve of 9000 hectares near the Namibian capital Windhoek.

Overlooking the boundless savannah, the camp offers ten spacious round thatched huts, whose warmth design, evocative of the earth, is inspired by the traditional architecture of Ovambo.

The authentic restaurant serves a refined cuisine, from home-made breakfast to delicious dishes to share, including generous pieces of 'game meat' on a spit. Melting into the incredible background, the bar on the edge of the heated outdoor infinity pool offers a refreshing retreat after unforgettable made-to-measure excursions and safaris.

The friendly ambiance is energized with the cozy bar and the nearby boma, where guests can meet and mingle around an open fire. The atmosphere of timeless intimacy continues in the spa, where massages and cares inspired by local Namibian beliefs are provided in two double treatment rooms.
