Zanzibar

Spice island paradise

Steeped in culture and history, Zanzibar is fondly known as the 'Spice Island' due to the variety of spices grown here. Stone Town, a UNESCO World Heritage Site, boasts bustling marketplaces, beautifully carved wooden doors, mosques, and grand Arab residences.

Why visit Zanzibar?

Discover a labyrinth of winding streets in Stone Town, pristine beaches, azure waters, culture, history, spices, exquisite doors, and the silhouette of dhows against a golden sunset.

1

FASCINATING HISTORY

Delve into the beauty and ancient history of Zanzibar as you explore the enchanting Stone Town. Uncover magnificent architecture, wander through a maze of bustling narrow alleys, and discover sand and coral-stone houses—some over 200 years old—adorned with intricately carved Arab and Indian doors. Gain profound insight into the somber chapter of the Arab slave trade that once darkened this vibrant tapestry of history.

2

CULTURE AND CHARM

The fusion of Arabic and African cultures on this island gives rise to the simple bustle of everyday life. An atmosphere of relaxation permeates the air, making it an ideal destination to unwind. During low tide, you can observe men embarking on fishing expeditions and women tending to seaweed cultivation. As the tide rises, children fill the beach with joyful play and endless energy.

3

EXPLORE THE SPICE ISLAND

Globally acclaimed for its aromatic spices, this formerly vital trading hub stands as a fragrant historical treasure trove, boasting vanilla, cloves, turmeric, nutmeg, and cinnamon. Amidst this aromatic tapestry, you'll discover regions cultivating an array of fascinating plants and shrubs, including the iodine plant and the lipstick tree's red fruit, cherished for their applications in medicine and cosmetics.

4

EASY SAFARI CIRCUIT ACCESS

An island sanctuary adorned with azure waters and pristine white sandy beaches; this destination offers convenient access to the East Africa safari circuit. Daily flights connect via the northern and southern Tanzania circuits as well as from Nairobi in Kenya, making it the ideal addition to your safari adventure. With an array of island lodges and resorts, this is the perfect getaway for families, friends, and honeymooners alike.

Adventures of a lifetime

Embark on island experiences set against a backdrop of azure seas, white sandy beaches, and the vibrant tapestry of culture and history of Zanzibar that are woven into this space.

Island experiences

Explore the island's rich history and culture, indulge in a wellness treatment, or simply relax on the beach.

1

DAILY YOGA CLASSES

Channel your energy, balance your chakras, and increase your self-awareness against the backdrop of the pristine ocean during a yoga class. Skillfully adapted to accommodate all levels of experience, daily group yoga classes can be enjoyed in the Wellness Banda on the yoga deck, along with other restorative healing sessions such as singing bowl meditation. Private yoga sessions can be arranged at an additional cost.

2

WELLNESS TREATMENTS

From daily yoga classes and sound bath therapy to specialised alternative therapeutic methods and meditative practices, Mnemba Island seeks to provide a holistic healing experience. Using only 100% natural Healing Earth products, pamper yourself with a soul-soothing massage in the Wellness Banda or book a private in-room wellness treatment in the comfort of your Beach Banda.

3

SAND FLATS PICNIC

Transport yourself to the sensations of a castaway on a dreamy, deserted island as you indulge in a decadent picnic on a private sand spit, an exclusive escape located just off Mnemba Island. Revel in breathtaking 360° ocean views as you lounge on the sandy white shore, savouring a sumptuous spread of hors d'oeuvres, appetizers, and local delights. 5

GREEN TURTLE NESTING

Mnemba Island is an important green turtle breeding site, and our conservation team works hard to protect and monitor turtle nests throughout the year. Track the footprints of female turtles at night and observe their nests during the year-round nesting season, which peaks between April and August. Observing green turtle hatchlings as they find their way out of their sandy nests to make their way to the ocean is an unforgettable experience. This is an extremely lucky and rare experience, not guaranteed.

6

HISTORY OF STONE TOWN

Delve into the beauty and ancient history of Zanzibar, exploring the magnificent architecture, a labyrinth of bustling narrow alleys, and incredible sand and coral-stone houses, some over 200 years old, with intricately carved Arab and Indian doors. During this walking tour, your guide will recount Stone Town's history (a mix of Indian, African, Arabic, and European influences) and provide a window onto Swahili culture and everyday life in Zanzibar.

7

SPICE ISLAND TOUR

Follow the scent of spices like vanilla, cloves, turmeric, nutmeg, and cinnamon, as you drive through the lush greenery of the island's spice growing areas. Your senses will be tantalised by the sight, smell, and taste of an exotic cocktail of tropical seasonal fruits, such as green coconut juice, jack fruit, pineapple, banana, and love apple. The tour also includes a visit to the ancient Kidichi Persian Baths, the fascinating Maruhubi Palace ruins, and Livingstone's House.

Water experiences

Snorkel among the coral reefs, dive into the crystal-clear waters, or sail azure seas at sunset.

1

SUNSET DHOW CRUISE

Relax in the romance of dusk surrounded by a vast expanse of sky above and ocean blues below as your dhow glides towards the sunset. Be captivated by the evening colours, from pink hues to burning orange, with slashes of deep indigo and azure descending into inky black.

2

PRIVATE DHOW CRUISE

Experience the epitome of seclusion and luxury, sailing away on a traditional wooden boat, exclusively yours for the day. Traverse azure waters in unparalleled privacy; BBQ on board and pause to snorkel wherever you please. Whether it's a romantic getaway or a serene retreat, a private dhow offers an idyllic escape, tailored to your desires.

3

SEA KAYAKING

Explore the warm Indian Ocean waves in utter tranquillity in a tandem deep-sea glass-bottom kayak. Ask one of Mnemba's Dive Instructors for a quick tutorial session or set off with your partner on the quiet waters protected by the island's surrounding reefs. Paddle along the shoreline, admiring its shifting features, or venture farther into the ocean's depths in hopes of encountering dolphins or sea turtles. Combine exercise with underwater marvels, offering a unique perspective of the island.

4

STAND-UP PADDLE BOARDING

Experience an exhilarating aquatic adventure aboard an inflatable stand-up paddle board (SUP). Glide gracefully on tranquil waters as you master the art of balance and exploration. Whether you're a beginner seeking leisure or an enthusiast craving a workout, SUPing offers a unique perspective and connection to the sea. Perfect for the calm waters off Mnemba Island, this activity immerses you in your surroundings, providing exceptional views of the ocean waters and the Mnemba horizon.

HOBIE WATER EXPERIENCES

Whether you're gliding through calm waters or tackling a bit of surf, Hobie provides an range of adventures for those keen to explore the warm waters surrounding the island.

SEA PEDAL KAYAKING – HOBIE MIRAGE TANDEM ISLAND KAYAK

Offering a tandem seating arrangement, allowing for two paddlers to share the fun, this unique kayak is designed with stability and ease of use in mind. Ideal for both beginner and experienced kayakers, its sleek design and pedal powered system makes paddling effortless. Its versatile sail also enables kayakers to harness the power of the wind for a more leisurely journey.

SAILING – HOBIE 14 RACE CATAMARAN

An exhilarating and accessible sailing experience for everyone, with its sleek and aerodynamic design, this catamaran is built for speed. Its lightweight construction and responsive nature, featuring two hulls connected by a trampoline, allows it to glide effortlessly over the water. Setting it apart is its simple rigging system, making it easy for sailors of all levels to handle.

PEDAL BOARDING – HOBIE ECLIPSE MIRACLE PEDAL BOARD

Combining the fun of paddle boarding with the ease of pedalling, pedal boarding offers a new way to traverse the ocean. Standing on a stable platform, using your legs to pedal instead of your arms to paddle (like riding a bike on water), the board's sturdy structure and user-friendly handlebars for balance and steering, makes pedal boarding easy for everyone to enjoy.

With our PADI-certified dive masters and instructors intimately familiar with Mnemba Island's reefs, they curate dives tailored to your interests. All necessary diving equipment is provided, along with the bonus of GoPro cameras to capture your remarkable sights.

SCUBA DIVING COURSES AND UNDERWATER EXPERIENCES

The Dive Centres at Mnemba Island offer a full range of PADI-accredited courses for those looking to advance their diving qualifications.

PADI BUBBLEMAKER & DISCOVER SCUBA

This introductory diving course is perfect for little ones or adults who are keen to explore the fascinating underwater world of diving, facilitated by experienced, multilingual professionals.

REFRESHER DIVER COURSE

This diving course is ideal for divers who have been away from the sport for a while and are seeking a quick refresher. The programme is designed to revitalise diving skills, boosting underwater confidence.

PADI OPEN WATER DIVER COURSE

Learn to scuba dive independently in buddy teams to a depth of 18 m (60 ft). This four-dive course takes three to four days, where upon conclusion, guests will receive a lifetime global certification.

PADI ADVANCED OPEN WATER DIVER COURSE

This dive course only applies to already certified Open Water divers. After successfully completing five dives, the course will certify divers to dive down to a maximum depth of 30 m (100 ft).

SINGLE TRAINING & ADVENTURE DIVE

This is ideal for those who would like to try specialised dives, such as deep dives and drift dives. This course will be credited towards your Adventure Diver or Advanced Open Water diver certification.

Conservation experiences

Gain an insight into the incredible initiatives taking place in collaboration with our long-standing conservation partner, Wild Impact*.

1

ARTIFICIAL REEF STRUCTURE EXPLORATION

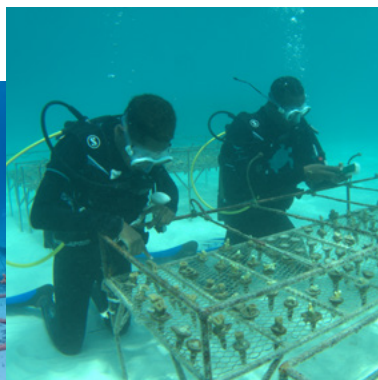

Located just off Mnemba's shoreline, this artificial reef was built to help reduce the pressures on the island's House Reef. Assist the Wild Impact Oceans Without Borders team for the morning with their daily reef restoration tasks. Your role might involve identifying the diverse fish species that call these reefs home or helping to monitor the various coral types growing here.

2

CORAL REEF FRAME PROJECT

Create your own artificial reef by delicately attaching coral fragments to a coral frame structure. You'll then help to carefully position and secure your coral frame near the existing Mnemba Island artificial reef site, helping to enrich the fragile underwater ecosystem surrounding the island.

3

CORAL NURSERY EXPERIENCE

Dive to the island's underwater coral nursery, learning how the Wild Impact Oceans Without Borders team delicately transforms tiny coral fragments into future coral giants. Under their expert guidance, you'll also have the opportunity to get involved, which may include collecting your own 'corals of opportunity' (naturally dislodged coral) or helping to carefully remove algae from the coral fragments.

4

ISLAND CONSERVATION TOUR

From the green sea turtle monitoring programme and indigenous tree nursery to the sandbag erosion wall and suni and Aders' duiker exclusion zone, one of the lodge's dedicated staff members will show you the ins and outs of the numerous remarkable conservation initiatives taking place on the island.

5

WILD IMPACT COMMUNITY VISIT

A community visit provides a firsthand experience of the projects Wild Impact is facilitating and supporting to enable future leaders, healthy ecosystems, future foundations and thriving communities. Explore local village life beyond the crowds on Zanzibar Island and engage with some of our transformative education and healthcare community projects. Privately hosted by Wild Impact, this insightful and participative half-day experience is richly authentic.

Why stay?

1 INTIMATE, EXCLUSIVE, AND FLEXIBLE ISLAND ESCAPE

Mnemba Island is an idyllic tropical gem located off the north-eastern tip of Zanzibar. With only 12 luxuriously rustic palm-frond Bandas peeking out onto white coral sand beach from the dappled shade of the casuarina pine forest, this tiny island offers an exclusive retreat. Inhabited solely by BEYOND guests and the dedicated staff caring for them, the island spans just 1.5 km (less than a mile), making for an intimate and relaxing experience. You have the freedom to craft your day precisely as you desire, and our team will turn your preferences into reality.

2 CONNECT AND RE-AWAKEN YOUR SOUL

Barefoot serenity and romance define the allure of Mnemba Island. Take the time to rejuvenate and heal in true African style. Merely escaping to this haven is soothing for the soul, as the open-style design seamlessly integrates the natural world into the lodge. This holistic connection extends to a wide range of wellness and spiritually awakening experiences that draw inspiration from the scenery of this unique island. Delight your taste buds in the simple yet evocative essence of Zanzibar's richness, fragrance, and history, through our organic and freshly prepared food, inspired by the barefoot beach simplicity of the island itself.

3 CONSERVATION ON YOUR DOORSTEP

Mnemba Island is renowned for its coral reefs and tranquil azure seas, boasting irresistible snorkelling and diving opportunities right off the beach. Discover the island's coral nursery and artificial coral reef restoration project. Furthermore, recognised as a significant breeding site for green turtles, Mnemba Island's team patrols the beaches daily to monitor and document new turtle activity. The island has also become a sanctuary for two unique antelope species, Ader's duiker and suni antelope, through our successful protection project.

All the complexities of life are stripped away, leaving only crystal turquoise waters, cool white beaches, and a friendly jungle.
