RESPONSIBLE TOURISM

Ghost Mountain Inn is proudly Fair Trade Tourism certified, reflecting our commitment to responsible tourism and sustainable business practices that benefit both the environment and the surrounding communities of Zululand.

We prioritise employing staff from the local area and invest in training and skills development to support long-term careers in hospitality.

A key focus of our community work is Early Childhood Development, where we support local crèches and primary schools in the Mkuze area through educational resources and community partnerships.

Environmental initiatives include the use of solar energy systems, recycling programmes and the maintenance of extensive indigenous gardens that support local biodiversity.

Through these initiatives, Ghost Mountain Inn strives to ensure tourism benefits both people and the environment.
