# *Embrace the magic of love* **AT PAFURI**

Embrace the magic of love with the enchanting setting of Pafuri Camp, where we warmly welcome weddings for up to 80 guests from April to October and up to 60 guests from November to March. Picture your dream wedding ceremony unfolding amid nature's romantic embrace, amidst options like The Fever Tree Forest, The Ana Tree Forest, and the Luvuvhu Flood Plain within the Makuleke Contractual Park. Let the beauty of these serene landscapes add an extra touch of romance to your special day.

*“Aside from all the magic that Pafuri has always delivered, it was your capabilities as a wedding venue that deserve a special mention. It was a flawless experience in every respect, and one could be forgiven for assuming that this is a dedicated wedding venue, and this team does this every other weekend.”*

## SOLAR *Power*

The Pafuri Collection operate primarily on a self-sustaining solar farm, emphasising their commitment to eco-friendliness. To maintain this eco-conscious approach, guests are kindly requested to avoid using heat-generating appliances like hair dryers, curling irons, and straighteners. However, the camp acknowledges the importance of the bridal party looking their best and offers to activate backup generators at a specified time provided by the guests.

## LIGHTING

You are welcome to bring additional lighting to enhance your event; however, it is required that the lights are either LED and compatible with the camp's electrical systems or battery-operated. Please chat to us beforehand to avoid disappointment. With roaming may connect to the Mozambican network, please note, this may incur significant data charges. However, complimentary Wi-Fi is available in the main area of Pafuri Camp as well as at Baobab Hill House for guests to stay connected.

## MUSIC & *DJ (on exclusive use only)*

Just a reminder, our energy source is solar, however, we will activate the generator at a specified time.

Regrettable, the system cannot accommodate DJ lights. We'd also recommended the use of battery-operated speakers if your DJ has them.

Additionally, music is permitted only when the wedding party has reserved exclusive use of the Pafuri Collection products, including Pafuri Camp, Baobab Hill House, and Pafuri Walking Safaris (when open).

## WEDDING PLANNERS & *Suppliers*

We have collaborated with a diverse list of wedding planners and suppliers previously and can provide these details on request. However, you are welcome to use your own suppliers. We recommend that you arrange a site inspection with us.
