

*Besides the luxury five-star accommodation, River Lodge is more festive and social than our smaller, quieter camps, which is why young couples and groups of friends are often among our guests.*

## KAPAMA GAME RESERVE

Immerse yourself in the peacefulness of the African bush at the luxurious Kapama Private Game Reserve. Spanning over 15,000 hectares of pristine South African bush, Kapama offers the perfect sanctuary for a wide variety of wildlife.

Five luxury lodges offer our guests the choice of the ultimate safari experience. The secluded sanctuary of our reserve offers everything from the old-world charm of Buffalo Camp, the welcoming warmth of Southern Camp, the dynamism of River Lodge, an exclusive use residence at Kapama Kruger Homestead, and an unrivalled level of luxe at our flagship lodge, Kapama Karula. And if you want to tick off an item on that bucket list and sleep under the stars, the romantic sleep-out platform will make many a dream come true.

Whether it's relaxing around the pool, going for a walk through the bush with one of our skilled guides or lounging at our spa and wellness centre, there is no schedule at Kapama and the only requirement is to make treasured memories.
