

*Luxury at the entrance gate to
Sesriem Canyon and Sossusvlei*

Situated adjacent to the oldest desert in the world, Sossusvlei Lodge is a luxurious retreat in this premier tourist attraction area in Namibia. Shaded by camel thorn trees, the Lodge blends in perfectly with the spectacular desert surrounds and bears testament to the ingenuity of an eco-friendly design.

Explore the vastness of Namibia's unspoiled natural environment with the Sossusvlei Lodge Adventure Centre. Choose from guided Sossusvlei trips, hot air ballooning, sun-downer trips, bush dinners, guided Elim Dune walks and scenic flights.

A dip in the sparkling pool or an ice-cold beer under the shady trees in the Acacia beer garden makes for the best relaxation after an eventful day. The al fresco terrace offers magnificent views of the floodlit waterhole where you can watch the passing parade of oryx, springbok, jackal, ground squirrel and hyena, whilst enjoying exquisite food and wine. Indeed a visual and culinary contrast, bearing in mind the relative remoteness of this exceptional location.

The detached accommodation units are carefully laid out to perfectly blend in with the magnificent surrounding natural environment.
