

Immerse yourself in peace and calm at Sausage Tree and Potato Bush Spa, where we incorporate different techniques to make your experience unique and memorable.

Please provide a few hours' notice upon booking, for the Therapist to set up and create the right ambiance for you.

OILS USED

Detox oil – is a powerful blend of essential oils that support the body's natural detoxification process. It contains rosemary, geranium and juniper.

Stress relief oil – infused with orange, basil and vetiver, this stress relief oil promotes emotional balance and relaxation. This is ideal for clients struggling with stress and difficulty sleeping.

Fatigue relief oil - ideal for clients feeling lethargic or jet lagged, this oil combats exhaustion and muscle tension. It contains thyme, lime and spearmint.

Backache oil - recommended for clients with neck and shoulder tension or muscle tension, it targets discomfort and alleviates tension in the body. It contains cedarwood, wintergreen and lavender.
