

# Lemala Ngorongoro Tented Camp

Lemala Ngorongoro is intimately set in a delightful ancient acacia forest close to the rim of the magnificent Ngorongoro Crater. As it is located next to the quiet Lemala crater access road on the eastern side, a key advantage of staying at Lemala Ngorongoro is the quick and easy drive down on to the crater floor in the morning; Lemala guests usually have an hour's head start over others descending via the far busier Seneto crater access road on the western rim
