TREE CAMP

"The most stylish family-run camp in Africa."

Londolozi always strives to transcend and redefine the journey into wilderness, and at Tree Camp, guests are given a direct encounter with that vision. Nestled in the leadwood tree canopy, this lodge is a sanctuary of elegance and simplicity. Tree Camp is a celebration of over 4 decades of our connections and kinship with the wild free-ranging leopards that move through Londolozi.

Guests spend lazy afternoons on the Tree Camp deck, champagne in hand, as elephants pass in the river below. By night, the camp glows with countless lanterns and rings with laughter and conversation.

This exclusive camp epitomises luxury and style in every detail. From the private swimming pools, all-weather dining and contemplation decks (salas) to the Ralph Lauren wallpaper and plaited leather beds, Tree Camp is simply a matchless showcase of African excellence.

Tree Camp does not accommodate children under the age of 16 unless guests book the camp exclusively.

VARTY CAMP

"The heart and soul of Londolozi."

The campfire has burned at Varty Camp for over 90 years, making this place the symbolic heart of Londolozi. This original camp is a tapestry of brick paths, dolerite rock walls, waterfalls and tangled vines echoing simple spaces with unencumbered river view backdrops. The tones of the camp reflect the owners' 90-year love affair with this land and therefore place an emphasis on family and heritage.

Children over the age of six are welcome at Varty Camp. Each room has its own private swimming pool, outdoor shower and outdoor dining sala framed by timber decks raised off the ground under the shade of an ancient riverine forest.

Many Londolozi guest activities can be found within the surroundings of Varty camp. These include the guest gym, photographic studio and Living Boutique. Guests from all camps are invited to make use of these facilities as well as the Yoga Deck situated next to Founders Camp.

Also found within Varty Camp is the newly appointed Healing House – a concept that takes you beyond the spa, with a beautiful return of wellness to wildness. Bodywork (massage) and specialised alternative wellness treatment facilities are available. The charming "original Sparta Camp" is also located in the heart of Varty Camp representing where Londolozi began in 1926.

PRIVATE GRANITE SUITES

"A private river affair."

Londolozi's Private Granite Suites are a celebration of elegance and elephants in a remarkable river setting and offer an extraordinary experience for the exclusive use of six guests.

The lodge is flanked by an extrusion of granite rock, an effect echoed by the décor's bold materials and silver, charcoal and elephant grey palette. The suites convey Africa's raw essence with a contemporary and elegant flavour. A sunset river bar and sunken cocktail lounge is suspended high above the Sand River where breeding herds of elephants wander over the ancient riverways.

The suites blend the boundaries between inside and outside, creating a seamless integration with nature with large doors and windows opening directly onto the Sand River. Each suite has a luxurious outdoor bath and a private, heated swimming pool.

This luxury safari lodge is for the discerning traveller who appreciates the finer details.

The suites can be booked individually or as a private camp for six guests, making it ideal for honeymooning couples or small groups celebrating special occasions. This lodge does not accommodate children under the age of 16.

FOUNDERS CAMP

“Londolozi is a place where, like binary rings of a tree, the founders - and each person thereafter - have served and left their mark.”

Over the years the ripple effect created by Londolozi’s alumni has spread our ethos far and wide across the African continent, and beyond. Founders Camp honours these wild, early beginnings – past guests and staff who have contributed to building Londolozi. It is their efforts that have distilled the legacy of the past 50 years into the creation of the essence of safari spirit.

At Founders Camp, classic meets modern. This Londolozi signature camp is clean, uncomplicated and comfortable, leaving nothing forgotten. You will get the feeling of all the comforts of a stylish African home that is ideally situated to provide an insider’s view of the secrets of river life. Classy, grounded and timeless – Londolozi’s Founders Camp represents a safari style that is inviting and restful.

Reminiscent of the ancient ‘wattle and daub’ methodology of building, this earthy design celebrates the natural raw elements of nature. Rock, fire, wood and earth.

Founders Camp is about simple sophistication with clean lines. The simplicity of layered textures creates depth and a sensory experience wherever you go. This fusion of elemental design is completely soothing to the nervous system, allowing for deep rest and relaxation.

Muted and calming within yet vibrant and alive, with connection to the wilderness, without.
