TERMS AND CONDITIONS (SEE “NOTES” SECTION PER FLIGHT)

- Governors’ Aviation reserves the right to make certain common-sense changes to routes if loads, weather, or other key factors dictate. For example, flights to Nanyuki/OL Pejeta (Kamok Airstrip) serve either airstrip, not necessarily both. We reserve the right to drop clients for OL Pejeta at Nanyuki and vice versa. Passengers booking a return flight from Nairobi to Nanyuki / OL Pejeta (Kamok Airstrip) may be routed via the Masai Mara at the company’s sole discretion. Similarly, for clients booked to fly Laikipia to Mara, we reserve the right to return them to Nairobi and put them on the Nairobi to Mara flight should loads dictate this.
- All our flights to the Masai Mara and to Governors’ Mugie House operate with a minimum of 2 passengers all year round. The rest of our Laikipia flights (i.e., Loisaba, Lewa, Nanyuki/OL Pejeta (Kamok Airstrip) operate with a minimum of 2 passengers in High Season and a minimum of 4 passengers in Mid and Low Season.
- Due to the nature of safari flying, this flight may not route directly as indicated in the ticket but stop via other scheduled destinations.
- This flight may be routed via Nairobi, particularly in the Mid and Low Seasons.
- If load factors or other circumstances require it, we reserve the right to re-book passengers onto an equivalent airline or service.
