From the Airport, follow the signs N2 - Cape Town
After approximately 12km on the N2, stay on the left lane, still towards Cape Town.

The Motorway splits; take the left branch (Mountain side) on to "M3, Philip Kgosana Drive" (former De Waal Drive) (1).

After another 3km the speed limit is reduced to 60kmh followed by a yellow speed camera on the left (2). The road makes a right bend. In that bend you take the left exit "M3 direction Table Mountain, M62 Camps Bay". (3)

Stay in the middle lane and drive over a fly-over, past the Gardens Shopping Centre (white high rise building on your left).

At the first traffic light move into the left lane, cross the second traffic light and continue straight direction "M96 Oranjezicht" (4). Do not follow the main road that veers off to the right.

At the stop street (T-junction) turn left into Upper Orange Street (5).

5th street to the right is Montrose Ave. You will see a corner café on your right (6).

Third house on the left is Abbey Manor.

At (3): If you accidentally drive straight, don't worry. Drive straight (Roeland Street) until you reach the T-junction (Houses of Parliament in front of you). Turn left (A) up the hill (St. Johns St) heading towards Table Mountain. Drive straight over the big junction. The road now is called Upper Orange. For the rest see last paragraph above.
