JABULANI, A UNIQUE AND SOULFUL SAFARI EXPERIENCE

Jabulani is a soulful safari lodge in the South African Big 5 wilderness where guests can connect with diverse nature, abundant bird species and wildlife and the elephant herd we rescued nearly twenty years ago. Set within a private game reserve in the Greater Kruger Park, Jabulani is a place to reset, to feel alive and soothed by spending time dining, resting, and being present in the bushveld.

Learn about our inspiring journey with the Jabulani elephants and the orphans integrated into their herd, and listen to our devoted elephant carers sharing insightful stories of their journey with the herd. Enjoy game drives and bush walks and embrace a unique opportunity to observe the Jabulani herd on their swims or dam drinks, or as they forage together as one family. You soon realise that you are part of something much greater while here... An unforgettable experience that will let you travel deeper and make a lasting impact.

A proud member of Relais & Châteaux.
