

A DAY AT JABULANI

AS NO TWO PEOPLE ARE THE SAME, IT STANDS TO REASON THAT THEIR NEEDS WILL DIFFER. IT IS THIS FOCUS ON INDIVIDUALITY, WHICH SETS JABULANI APART.

On arrival, every guest is met by Jabulani's management for a personal welcome and orientation. Guests can share their experiential expectations in terms of pace and time suitable to their individual needs. We have however designed a sample itinerary as an option for guests staying at Jabulani. However, each guest's stay is tailor-made to their requirements.

- Wake up early or choose to sleep in! Our guides work around your preferred pace of holiday. Either head off on an early morning game drive followed by breakfast or choose to have breakfast first and then a game drive.
- Stop off in the bush for an early morning refreshment before departing with your guide on a game drive in search of predators and other iconic African species living in the wild.
- It is then time to return to the lodge for a sumptuous breakfast of freshly baked confectionaries, cereals, fruits and a specially prepared hot breakfast made to order.
- Perhaps you would prefer a guided bush walk, a private spa treatment, or a helicopter flip over The Blyde River Canyon?
- Return to the lodge to freshen up before lunch is served. The menu for the day will be personally delivered by Jabulani's executive chef, and enjoyed in the dining room or on the deck in the shade of an ancient Mahogany tree.
- The afternoon is at your leisure to browse in The Gallery for art pieces, designer clothing or local trinkets for family back home. Should the simple pleasure of reading a book on your bed or at your private poolside be more appealing, you may wish to order a coffee, a cocktail or a bottle of good South African wine as an accompaniment. Your wish is our command
- After meeting for a light refreshment, the afternoon activities commence in the form of an elephant experience and walk, or game drive into the Big Five Reserve. Many prefer to do both for the ultimate African wildlife experience.
- Return to the lodge in time to freshen up before dinner is served in a fresh and exciting venue (weather dependent). Fine dining under the stars or to the crackle of a fireplace with silver and crystal draws to a close an enchanting day in a truly special place.
- Drift off to sleep utterly sated, and completely satisfied.
