PURE  
OKAVANGO

OKAVANGO DELTA - BOTSWANA  
[WWW.SETARICAMP.COM](http://WWW.SETARICAMP.COM)

**Setari has been lovingly created on a magical palm island situated deep within the Okavango Delta.**

A short 40 minutes flight from Maun transports our guests into a vast and pristine wilderness. Located in the very heart of the Delta, the camp enjoys complete seclusion and exclusivity in a private concession of over 50,000 hectares.

Our dream was to create something special and unique where the pioneers and explorers of old would have felt quite at home and yet where every comfort was catered for.

Wonder at the magical birds and wildlife from one of our specially modified game viewing boats or from a traditional mekoro (dug out canoe).

We also offer bush walks on the neighbouring islands where we hope to take in the resident elephant or sitatunga.

Each of the 8 double tented tents and 1 tented family tent are built high in the trees overlooking the floodplain beyond. They have been stylishly furnished and all have en-suite bathrooms with outside shower and freestanding bath. Our swimming pool, gym and large, airy dining and seating area all have spectacular views over the surrounding wilderness.
