BELL 505

The Bell 505 is a turbine helicopter used for guest transfers to and from Kwandwe Private Game Reserve. Known for its safety, visibility, and reliability, the aircraft offers a comfortable and efficient travel option.

TRANSFERS OVERVIEW

FROM / TO	FLIGHT TIME	2026 RATE (per way)
Gqeberha (PLZ)	40 min	From R32 400 (single way)
East London (ELS)	40min	From R32 400 (single way)

Each guest is permitted one 20kg soft-shell bag. For specific baggage guidelines or special requirements, please contact reservations@kwandwe.co.za in advance.

DESIGN AND ACCESS FEATURES

The Bell 505 features a compact, streamlined profile. Clamshell doors on the co-pilot side open to 55 inches (140 cm), allowing for easy passenger access. A dedicated luggage hatch provides convenient access to the rear storage compartment. The Bell 505 accommodates one crew member and up to four passengers.

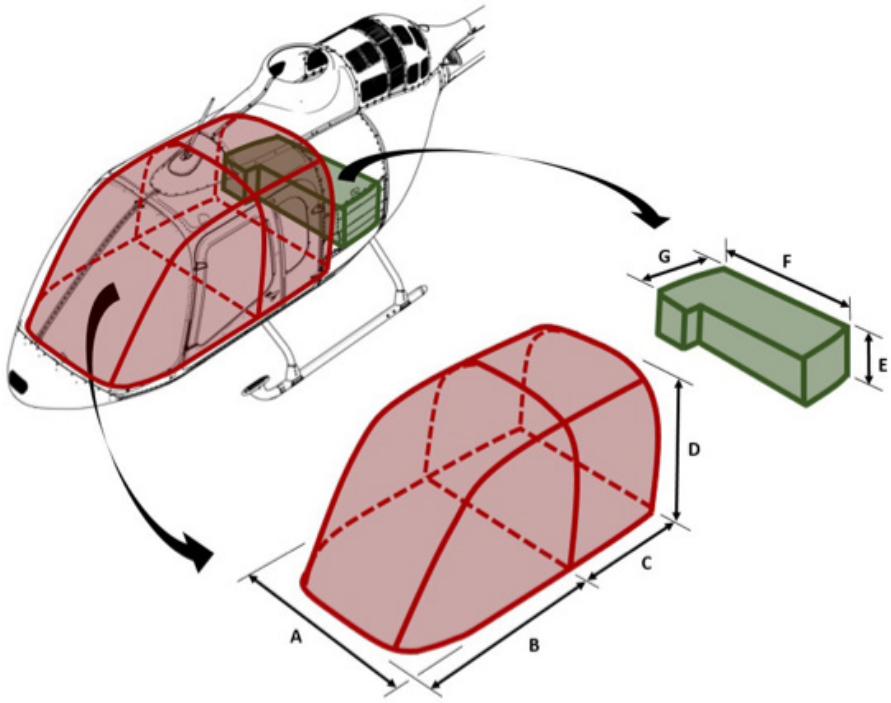

INTERIOR AND EXTERIOR DESIGN

The cabin is designed with passenger comfort in mind. A large rear seating area offers ample legroom and headroom, and the flight is quiet and smooth even over longer distances. Large rear windows and wrap-around cockpit windscreens provide excellent outward visibility for all passengers, making the journey part of the overall experience.
