Why stay?

1 FELT THROUGH EVERY SENSE

Explore an exclusive 90 500-hectare (223 630-acre) private concession by vehicle or on foot, with seasonal mokoro and motorboat experiences when water levels allow. Each day reveals a different expression of the Delta, shaped by land, water, weather, wildlife and the instinct of your guide.

2 WELLBEING GENTLY WOVEN IN

Wellness is not separate from the safari experience. It is found in the quiet hour between adventures, the flow of a treatment, the cool of a plunge, the nourishment of seasonal food and the way the Delta softens the day around you.

3 A PLACE AT THE TABLE

Food is woven into the rhythm of the lodge, from the interactive kitchen and wood-fired forno to open-air dining and fireside evenings beneath the trees. Rooted in local flavour and generous Botswana hospitality, each meal becomes an experience of its own.

4 GUIDED BY THE DELTA

Guides shape each day around the landscape's conditions: water, weather, wildlife movement, birdlife and the small signs that often lead to the most memorable moments. The result is a safari that feels personal, responsive and alive to the Delta's changing rhythm.

5 FOR TIME TOGETHER

Private plunge pools, shaded salas, generous daybeds and intimate dining spaces make the lodge especially suited to couples and milestone travellers looking for safari with space to pause, reconnect and simply be.

Lodge amenities

1

THE DELTA REVEALED

Whether arriving by boat or vehicle, the journey to &Beyond Xaranna Okavango Delta Lodge is designed to reveal the Delta gradually. Seasonal changes shape the experience, from crossing the floodplain by timber walkway during flood season to taking in the striking open landscapes of the drier months. Whatever the season, arrival feels like the first part of the safari, not simply the end of a transfer.

2

SOCIAL HEARTBEAT

Rooted in the Setswana tradition of gathering, the main guest area is the lodge's social heart. Lounge and dining spaces unfold around a central courtyard, with open-sided pavilions and long Delta views keeping nature present throughout.

3

WINE BODEGA AND STARGAZING NEST

The sculptural wine bodega rises above the landscape as a landmark within the lodge. Inside, a curated collection and intimate dining space invite slower evenings, while the rooftop stargazing nest opens to panoramic views across the floodplains and night sky.

4

CENTRAL COURTYARD

Protected indigenous trees anchor the guest area's central courtyard, creating a natural gathering place at the heart of the lodge. Living, dining and creative spaces flow from this shared centre, reflecting the character of a small Delta village.

5

INTERACTIVE KITCHEN

The interactive kitchen turns dining into something more personal, creating space to gather, watch and take part as dishes take shape. It is a relaxed, sociable setting where flavour, conversation and curiosity naturally meet.

7

FITNESS AND RECOVERY

The lodge's gym brings fitness, movement and recovery into the rhythm of the day. Technogym equipment, a cold plunge, Kneipp therapy, Vichy shower, relaxation deck and wetlands platform support a wellbeing experience shaped by fresh air, stillness and the Delta beyond.

8

BOMA

Set beneath ancient trees, the boma offers a shaded pause by day and a fireside gathering place by night. Open to the landscape, it brings food, fire, conversation and the sounds of the Delta into one atmospheric experience.

9

OPEN-AIR DINING

Meals unfold across the lodge and landscape: in the courtyard, beneath the trees, beside the fire, on the jetty or out in the wild. Each setting brings its own mood, turning food into another way to experience the Delta.

Everything we do at &Beyond is centred around our core ethos of
'Care of the Land, Wildlife and People'.

1

COMMUNITY VISIT

Enquire about this community excursion to the Sexaxa Village, outside of Maun. On the day of your departure, visit Sexaxa School for a closer look at the community-led initiatives supported by Wild Impact*, in partnership with &Beyond. It is with our guests' support that this inspiring project has flourished, and now young children no longer need to walk a total of 10 km (6 mi) to get to and from school each day. Please note that this excursion depends on your departure time.

2

BACK-OF-HOUSE SUSTAINABILITY TOUR

Across the Delta, sustainability initiatives have been integrated into our daily operations. These include the installation of the first solar power plant at &Beyond Sandibe Okavango Safari Lodge in 2014, as well as a solar photovoltaic (PV) hybrid system at &Beyond Xaranna Okavango Delta Lodge – the first of its kind in Botswana – incorporating Tesla Powerpack Battery Energy Storage System technology. Complemented by energy audits, efficient heating systems, water bottling plants and wastewater management, these measures contribute to a reduced carbon footprint.
