

Conservation Science Talks

In Partnership with SANParks Honorary Rangers

CONNECT WITH THE PEOPLE PROTECTING SOUTH AFRICA'S NATURAL HERITAGE

Join us for an inspiring conservation science talk led by scientists and SANParks Honorary Rangers. Discover and engage with the research and environmental success stories shaping South Africa's conservation landscape, and gain firsthand insight into the wildlife, ecology and biodiversity they work to protect.

WHAT TO EXPECT

- Insightful presentations by conservation specialists and experienced SANParks Honorary Rangers
- Behind-the-scenes stories from South Africa's national parks
- Discussions on current conservation initiatives and research
- Interactive question-and-answer sessions
- An opportunity to contribute directly to conservation efforts through your attendance

PRIVATE GROUP EXPERIENCE

R9 970/group (max 12 guests)

ADDITIONAL CONSERVATION CONTRIBUTION

R500 per guest

Every booking includes a conservation contribution that directly supports the projects undertaken by SANParks Honorary Rangers, helping to preserve Table Mountain's unique ecosystems for future generations.
