

## A DAY IN SUMMER AT KWANDWE

At Kwandwe, summer days unfold at your pace—woven with rare wildlife encounters, indulgent interludes, and the timeless romance of Africa’s wide-open wilderness.

### MORNING GAME DRIVE

As the first light softens the landscape, a discreet wake-up call signals the start of your day. Over freshly brewed coffee, tea, and home-baked rusks, your ranger discusses what you hope to encounter—be it a Cheetah on the move, a Black Rhino in the thickets, or the gentle procession of Elephants.

Set out in an open 4x4 with your private ranger and tracker. This is the golden hour—the land stirs with life, and the bush reveals its secrets to those who rise early.

### BREAKFAST

Return to your lodge for a leisurely breakfast served with a view—think vibrant platters of fresh fruit, artisanal cheeses, and warm breads, followed by your choice of cooked dishes, from truffled scrambled eggs to honey-drizzled waffles.

## A DAY IN SUMMER AT KWANDWE

### LATE MORNING / LUNCH

---

The time between game drives is yours. Stroll with your ranger through the surrounding bush, learning about medicinal plants, insects, and tracks. Or simply unwind on your deck with a good book and the distant call of birdsong.

Lunch is a relaxed affair—seasonal, flavourful, and served wherever you prefer: beside the pool, in the shade of a tree, or in the comfort of your private dining area.

### AFTERNOON TEA

---

Cool off with a swim or a siesta. As the sun begins its slow descent, enjoy a refreshing drink and light bites on the terrace. Your afternoon game plan is entirely your own—whether to venture out again or stay and savour the stillness.

### AFTERNOON / EVENING EXPERIENCE

---

As the air cools, you set out once more—either on a traditional game drive that transitions into night with the sweep of a spotlight, revealing nocturnal wonders like Aardvark, Porcupine, or the elusive Aardwolf... or for those seeking deeper immersion, track Big Game on foot. Led by an expert armed ranger and tracker, this walk through vast, untamed terrain brings you closer to Elephant, Buffalo, or Rhino in their natural element. (This experience is available at an additional cost.)

Drinks in a remote, breathtaking setting are part of the ritual—Africa's signature sundowner, with golden light and good company.

### DINNER

---

Evenings are for fireside storytelling, exquisite meals, and unforgettable settings. Dine under the stars in a lantern-lit boma or enjoy a more intimate experience inside your lodge. Our chefs draw on South Africa's rich culinary heritage, crafting dishes that are as memorable as the day's sightings.

### EVERY DAY, UNIQUELY YOURS

---

No two days at Kwandwe are the same. Whether you seek stillness or discovery, solitude or shared moments, the rhythm of the wilderness meets you where you are. Our team is attuned to your preferences, curating each day with quiet precision so that your experience feels as effortless as it is extraordinary. Summer at Kwandwe is not a schedule — it's a feeling, a freedom, a return to something essential.
