

#### CRAFTING YOUR WILDERNESS EXPERIENCE

We are passionate about sharing our knowledge of the land and its wildlife. During your stay, you'll explore 74,000 acres (30,000 hectares) of private wilderness on twice-daily game drives in open safari vehicles, led by a dedicated ranger and tracker team.

Experience the bush beyond the vehicle and enjoy guided nature walks, bush breakfasts, and sundowners in scenic, untamed corners of the reserve. Spend time on the waters of Galpin Dam or try your hand at seasonal catch-and-release fishing — a peaceful pause in a wild setting.

To enrich your time at Kwandwe, a curated collection of privately guided and specialist-led experiences offers deeper insight into the reserve's wildlife, landscapes, and conservation work.

AT KWANDWE, EVERY JOURNEY IS SHAPED AROUND YOU.

LET US KNOW AT THE TIME OF BOOKING WHICH EXPERIENCES YOU'D LIKE TO INCLUDE.

PRIVATE VEHICLE	2025 RATES	2026 RATES
Max 6 guests   Explore the reserve at your own pace with a dedicated ranger and tracker team. Available from 12:00pm – 12:00pm the following day. To ensure continuity, this service is reserved for the full duration of your stay. Specialist safaris must be booked in conjunction with a private vehicle. A private vehicle is already included for guests staying in the private villas and Ecca Lodge Private Vehicle Suites.	R13 915 per day	R15 350 per da
SPECIALIST EXPERIENCES AND PRIVATE ACTIVITIES	2025 RATES	2026 RATES
RHINO MONITORING DRIVE 2-6 guests   All ages   Private vehicle not included Spend 3–4 hours tracking rhino by safari vehicle, accompanied by a rhino monitoring specialist. Learn about the behaviour of this threatened species, the challenges of poaching, and Kwandwe's ongoing conservation efforts. The experience concludes with refreshments in a scenic bush setting.	R17 500 per drive	R19 250 per driv
RHINO CONSERVATION SAFARI		
Up to 8 guests   6yrs and older   Minimum 4-night stay   Private vehicle not included	R95 000 per group	R95 000 per group
Join Kwandwe's rhino-darting and notching programme, guided by conservation experts. From May to September, guests assist in locating and sedating rhinos, administering medication, collecting scientific data, fitting solar-powered ankle collars, and monitoring each animal's recovery. This initiative yields critical insights into rhino behaviour and supports long-term species protection.		
BACKSTAGE KWANDWE A rare opportunity to go behind the scenes and engage with the conservation work that defines the r time in the field with Kwandwe's specialist team, gaining insight into the complexities of managing a include rhino conservation, time with the K9 Anti-Poaching Unit, exploring the Spekboom rewilding	privately owned reserv	ve.
