

OL DONYO LODGE

MBIRIKANI GROUP RANCH | CHYULU HILLS NATIONAL PARK

ol Donyo Lodge is located on the Maasai-owned Mbirikani Group Ranch, a vast expanse of wilderness between Amboseli and Tsavo National Parks, bordering Chyulu Hills National Park.

This stunningly beautiful area is incredibly diverse and often has spectacular views of Mount Kilimanjaro. No other lodge in Africa offers such a wide range of experiences, in such a private setting. As one of Kenya's only three Relais & Châteaux properties (other being sister properties Mara Plains Camp and Mara Nyika Camp), the lodge is perched on a hillside with views of East Africa's classic savannahs below.

Eight deluxe pool suites plus one two-bedroom family suite offer a harmonious blend of contemporary and rustic accommodation, merging the landscape into each suite. Designed for broad appeal, the lodge is a perfect getaway for families, honeymooners or multi-generational groups. What makes it a standout is its considerable variety of activities – from cultural visits, quality wildlife viewing, hiking, helicopter excursions, horseback riding and mountain biking – ol Donyo Lodge is a perfect place to feel Africa.

Add to this the lodge's creature comforts of fine dining, spa treatments, gym, infinity pool, star beds and multiple lounges, and it is a place to relax and unwind for days. Wildlife is here. This semi-arid region offers a diverse safari and wildlife viewing experience to that found in the Maasai Mara area.

ol Donyo Lodge pairs perfectly with its sister properties in the Maasai Mara such as our Mara Plains Camp, The Jahazi Suite at Mara Plains, Mara Expedition Camp, Mara Toto Tree Camp, Mara Nyika Camp or the Sambuk Suite at Mara Nyika. Together this combination gives guests the most well-rounded and complementary Kenyan safari itinerary.

No two of the lodge's suites is precisely the same, but what is consistent is the view to Mount Kilimanjaro and the lodge's famous waterhole as well as star beds atop each of the suites for sleeping under the night sky. All the suites have private plunge pools, and two are connected, creating a 'villa' concept, perfect for families or couples travelling together.

The thatch-roofed suites blend with the environment despite their commanding design. Flashes of bright colour interspersed with earthy tones, wildlife photography and local crafts punctuate the open-air layout.

OL DONYO LODGE

MBIRIKANI GROUP RANCH | CHYLU HILLS NATIONAL PARK

Most of the lodge staff are from the local Maasai community and keen to share their fascinating culture with guests – it is a treasured chance to learn. Furthermore, the Mbirikani Group Ranch and ol Donyo Lodge are among the first examples of a community tourism partnership. The land is leased from the Maasai by the lodge, providing them with benefits from tourism and an incentive for conservation. Along with its local conservation partner Big Life Foundation, the lodge continues to push the boundaries in innovative community conservation schemes. Every guest of ol Donyo Lodge contributes to these vital initiatives.

ACTIVITIES

Days at ol Donyo Lodge are full of options. To have such a vast area to explore, from high-altitude mist forest through lava fields, then woodland to savannah, and ending at the famous kopjes, it's a paradise of discovery. Each day, it is possible to pick your mode of transport, be it on foot, by vehicle, on horseback or even by mountain bike. There is no routine here at all, and experiences are tailor-made for each guest. And if lazing around the pool, indulging in a massage or shopping sounds like a good plan, then please do. Meet local Maasai and visit a nearby school to discover what makes Kenya so colourful and dynamic.

Safari Drives

Early morning and late afternoon / evening safari drives take place in some of the most luxurious wildlife-viewing vehicles. Each Toyota Land Cruiser safari vehicle is open-sided, canopied and customised for photographers (fold-down screens, raised roofs, photographic bars, multi-plug inverters). Each vehicle is also stocked with a fridge with drinks and snacks, ready for longer days out if the wildlife viewing is exciting and just too hard to leave. We choose to accommodate four guests (or two couples) on a safari vehicle; however, if a family or group travels together, we would easily accommodate up to six guests.

Every day on safari brings a unique and distinct experience. Safari drives typically start at sunrise, returning for lunch and depart again in the mid-afternoon before returning just after sunset.

Day trips to Amboseli National Park are possible (extra cost, subject to pre-booking).

Guests can enjoy up-close encounters with wildlife without departing from the lodge. The open-air log-pile hide and the sunken hide at the waterhole, both situated directly in front of the camp, provide a perfect vantage point for such experiences.

Our schedule is flexible, and guests are encouraged to create their own itinerary according to their interests with guidance and recommendations from our professional guides.

Enjoy wildlife viewing from this property on our online HD hide-cam 24 hours a day. Visit greatplainsconservation.com/live-african-wildlife-webcam/#ol-donyo for more information.

FOUNDATION INITIATIVE

Teacher's Salaries

Great Plains supports the salaries of 24 teachers in 15 schools around ol Donyo Lodge. Without additional teachers, student-teacher ratios in government schools in this area would be more than 100 to 1! Our support helps those schools to reduce that ratio, allowing them to dedicate more time and attention to each student. One of those schools is Enkijape, the only school in the area that specialises in serving over 60 primary school children with physical, developmental, and intellectual disabilities. Learn more at www.greatplainsfoundation.com

In addition to our own programmes Great Plains Foundation keeps a list of school needs in the countries where we work. Needed items can be hand-carried by travellers or we can help purchase them locally. To learn more or to help support students and educators as part of your trip please reach out info@greatplainsfoundation.com
