

An aerial photograph of a savanna landscape at sunset. A river winds through the center of the frame, surrounded by dense green trees and shrubs. In the lower-left quadrant, a camp is visible with several white tents and small buildings. The sun is low on the horizon to the right, casting a warm, golden glow across the entire scene. In the far distance, a range of flat-topped mountains is visible against the sky.

## WELCOME TO

# Saseka Tented Camp

One of the most design-forward camps in the Greater Kruger area, Saseka Tented Camp blends vintage safari romance with bold, contemporary style. Located on a curve of the Monwana River, it lives up to its name – ‘beautiful’ in the local Tsonga language – in every thoughtful detail.

Step inside and you’ll discover tented suites unlike any you’ve seen before – airy, elegant and filled with a gentle palette inspired by the bush. Private decks overlook the riverbed, each with an outdoor shower and plunge pool for uninterrupted moments of peace and game viewing.

Created by renowned design duo Silvio Rech and Lesley Carstens, the camp brings together steel-framed silhouettes, antique furniture and botanical ceilings in a masterful reimagining of early explorer style.

Meals and moments are shared on Saseka’s tiered deck beneath a one-of-a-kind ceiling that mimics dappled sunlight through trees, while water trickles nearby and the bush stretches out beyond.

## SATIB insurance

### 24HR emergency call facility for:

- Any medical emergency involving bodily injury to or life-threatening illness contracted by one of our guests or passengers
- Guests or passengers experiencing any natural disaster, such as a flood or fire

## Africa Safe-T

All our lodges are affiliated with Africa Safe-T, a medical rescue organization, which provides an immediate response for emergencies – fixed wing planes and helicopters. Arrangements can also be made should there be a need for a doctor. The closest doctor would be in Hoedspruit – a 50-minute drive. The cost will be charged to the guest’s account.

## Travel insurance

It is the Guests’ sole and absolute responsibility to ensure that they have adequate and suitable comprehensive travel and medical insurance in place to cover themselves, as well as any dependents/ travelling companions. This insurance should include cover in respect of, but not limited to, the following eventualities: cancellation or curtailment of the booking, emergency evacuation expenses, medical expenses, hometown repatriation expenses, damage and/or theft and/or loss of personal property, baggage, money, and goods.

Thornybush, their representatives, directors, officers, employees, and agents will not be responsible for any damage, loss, costs or expenses incurred or suffered by the guest, or guest’s dependents or travelling companions, as a result of or in connection with any of the above mentioned events. Guests will be charged directly by the relevant service providers for any emergency services they may require and may find themselves in a position unable to access such services should they not be carrying the relevant insurance cover.

# Community and conservation

## COMMUNITY

We are deeply committed to the upliftment and empowerment of the communities that surround our reserves. Through the Thornybush Community Project, we collaborate with local partners to drive long-term social change. Thornybush is also proud member of The Long Run, a trailblazing community of nature-based tourism businesses united in their commitment to driving holistic sustainability worldwide.

### Our community initiatives include:

- **Education Support:** We invest in early childhood development, sponsor local schools, and facilitate access to better educational resources.
- **Enterprise Development:** Supporting small businesses and artisans through mentoring, funding, and creating market access opportunities.
- **Food Security and Wellness:** Promoting sustainable food gardens and nutrition programmes in partnership with local NGOs.
- **Youth & Skills Development:** Training programmes in hospitality, conservation, and guiding help create career pathways for local youth.

## CONSERVATION

Our lodges are located in one of the world’s most biodiverse regions, and preserving this ecosystem is at the heart of everything we do. Conservation is a way of life at Thornybush.

- **Anti-Poaching Initiatives:** We work closely with local antipoaching units to protect endangered wildlife, including rhino monitoring and surveillance.
- **Habitat Rehabilitation:** Ongoing work to restore indigenous vegetation and remove alien plant species.
- **Sustainable Operations:** From solar energy to plastic-free practices, our lodges are committed to reducing their environmental footprint.

# FAQs

## What is the weather like?

Daytime summer temperatures (September – April) are high and may soar above 36°C/97°F. Evenings and early mornings are warm. Winters (May – August) have chilly nights and crisp early mornings (minimum 3°C/38°F), but the days are fine and warm. Rainfall occurs predominantly in the summer months from October to April in the form of magnificent late afternoon/evening thundershowers.

## What should I pack for my stay?

The dress code is informal and neutral colors are recommended. A warm jacket/scarf and beanies for winter and evening safaris. Comfortable walking shoes, a bathing costume, binoculars, camera and video camera. Sunhats, sunscreen, and sunglasses. A select range of safari clothing and amenities are available for purchase in our Curio Shops.

## Should I take Malaria Medication?

The lodges are situated in a low-risk malaria area. Precautions are taken annually to treat the lodges and minimize risk. We recommend you consult your medical practitioner on anti-malaria prophylactics.
