### ROVOS RAIL

- Rovos Rail does accommodate children but we kindly ask parents to be sensitive to the adult nature and atmosphere of the train by keeping them respectful and quiet.
- There are no child-minding facilities or activities available for children on board.
- Long journeys are not recommended for under 13s.
- Children between 0-2 years old are not permitted to travel.
- Children under five are not permitted in the dining and lounge cars. Room service is available. The chefs will endeavour to prepare suitable meals with the ingredients available on board.

We allow a maximum of two guests sharing per suite/cabin. Should there be a child under the age of five, he/she will be allowed to share with two adults (in a Deluxe, Royal or Emerald category only). However, should there be a child over the age of five, he/she should have his/her own suite/cabin (conditional). Should parents not feel comfortable with this option, one of the parents could then share with the child.

- **3-9 years:** Pays 75% of the adult per person sharing rate
- **10 years+:** Pays full rate
