

ROVOS RAIL JOURNEY CHARTERS

Rovos Rail covers the subcontinent of Africa with a variety of scheduled journeys that are available for full charter.

Since its establishment in 1989, Rovos Rail has earned an international reputation for its truly world-class travel experiences. With discreet and friendly service, fine cuisine and a selection of South Africa's top wines, Rovos Rail harks back to a simpler, more elegant era encompassing the timeless grace and high romance of African exploration. In a series of journeys lasting from 48 hours to 15 nights, Rovos Rail links some of Africa's greatest destinations. The beautifully rebuilt trains – which may be hauled by diesel or electric locomotives – carry a maximum of 72 passengers in 36 superbly appointed suites and are available for charter on any scheduled journey. Pride of place in the Rovos stable goes to the historic station and locomotive yard in Pretoria, the heart and headquarters of this private railway company. This is the busy hub of a provisioning operation, which rivals that of a world-class hotel in terms of efficiency and attention to detail.
