

**Kantabile Afrika** is a collection of boutique safari camps in Tanzania, handcrafted by the proprietors, run by the proprietors. The camps are conceptualized out of a passion for genuine hospitality and meticulous design, based on the belief that safari-goers can immerse themselves in nature without compromising comfort.

Enticingly close to the Mara River where the wildebeest herds make their annual journey in search of greener pasture, Aurari Camp offers a rejuvenating sanctuary amid the wilds of the Serengeti.
