ABOUT US

Perfect beach holiday

Astounding natural beauty, sweeping landscapes, exciting cuisine and pristine beaches mark Plettenberg Bay as one of the most loved destinations on the Garden Route, with the Bayview Hotel being at the epicentre.

Nestled in this spectacular town, the Bayview Hotel offers breath-taking views of the Keurbooms River, Lookout Beach & Tsitsikamma mountain range.

Boasting 36-ensuite rooms, the Bayview Hotel is surrounded by a host of vibrant shops, art galleries, nightlife and restaurants and is still within 800 metres of 2 of Plett's 6 Blue Flag status beaches, making us perfectly suited to families, local and overseas travellers, tour groups and business travellers.

Bayview Hotel features Adi's Kitchen, an independently run on-site restaurant, a charming Kiddies' Corner for younger guests, and the Pebble Lounge - our latest addition, perfect for laid-back lounging, game-day moments, or to take that all-important online meeting.
