SOUTHERN AFRICA · A BESPOKE LUXURY SAFARI

MHONDORO OVERLAND

*A private, fully curated luxury expedition across Southern Africa
guided, catered and crewed throughout, and designed entirely around your client.*

THE CONCEPT

The freedom of overland travel with the refinement of a luxury safari. Guests explore the finest corners of Southern Africa in a custom-built private vehicle, camping at well-located sites elevated by a private chef, attentive table service and genuine comfort, with exceptional guiding and a dedicated crew throughout. The luxury is in the experience, not the trappings.

WHY IT SELLS

Nothing is fixed. Length, pace, region and theme are all curated to the brief, so a single product flexes to almost any market, while delivering a level of comfort, privacy and access few mobile safaris reach.

01 TAILOR IT TO YOUR MARKET

A true Southern African overland journey at its heart, refined and adapted to the audience you sell to:

- ◆ A women's group escape
- ◆ A culinary & food safari
- ◆ A wellness-paced journey
- ◆ Photographic focus
- ◆ Families & multi-generational
- ◆ Private & honeymoon

02 THE VEHICLE

A CUSTOM-BUILT PRIVATE OVERLANDER

Engineered for the most remote and beautiful corners of Southern Africa - spacious, comfortable, with open, elevated game-viewing and the range to reach places fly-in safaris cannot. Up to 8 guests per vehicle, with your own dedicated crew; a second vehicle accommodates larger groups.

03 WHERE YOU SLEEP

CAMPING, ELEVATED

You camp at the region's camping sites in proper tents transformed by what comes with it: real mattresses dressed in hotel-grade bedding, a private chef preparing every meal, and a waiter serving you at the table in the middle of the wild. Comfortable hotels bookend the journey at the start and end. It is the experience, more than anything, that sets it apart.

04 AT THE TABLE

A PRIVATE CHEF IN THE BUSH

Every meal is freshly prepared on safari by your own chef and brought to the table by a waiter, from relaxed breakfasts and lunches on the move to unhurried dinners under the stars, with house drinks throughout.

05 YOUR TEAM

PRIVATELY GUIDED & CREWED

Each journey is led by an experienced guide and supported by a dedicated crew, chef, waiter and camp team, handling the cooking, service and camp set-up, so your clients are looked after at every turn.

06 SAMPLE JOURNEYS

Two signature Botswana routes shown as examples. Journeys can be curated anywhere across Southern Africa, from the Namib dunes to Victoria Falls, the Zambezi to the Cape.
