Welcome

Schoone Oordt Country House is a charming love-filled country hotel in Swellendam South Africa, with 11 luxury bedrooms set in lush gardens, an intimate Conservatory restaurant, a sparkling saltwater pool and a passion for people, family, food, wine and the environment.

The emphasis here is on unpretentious unaffected luxury, elegance, quality, love and obsessive attention to detail.

We aspire to make this evident in every aspect of your time with us.

We host only one or two weddings a year, so they become very precious to us and our bridal couples usually become lifelong friends...

We know how important your wedding day is to you and as such, we tailor-make and oversee each detail to ensure that your wedding is unique, seamless and memorable, not only for you, but for every single one of your guests too.

Choose from the secluded gardens, the lush & large circular lawn, the light and airy Conservatory overlooking the grounds or the cosy & slightly more formal dining room in the grand old house to host your champagne breakfast, gourmet lunch, decadent high tea or delectable dinner reception. Each wedding or function requires the exclusive reservation of the entire property for a minimum of two evenings to ensure complete privacy and undivided attention.

Schoone Oordt has been created with a vision for entertaining. She is truly an extraordinary venue for an exclusive occasion filled with laughter and love...

Exclusivity & Accommodation

Each wedding or function requires the exclusive reservation of all of our rooms for a minimum of two evenings to ensure complete privacy and undivided attention.

Twenty-two adults can be accommodated in king size or twin beds, all extended length. Children are welcome and can be accommodated in the family cottage and/or the family suite. Schoone Oordt's rooms comprise eight luxury rooms, the family cottage, family suite and of course, the beautiful honeymoon suite.

- ♥ The **Honeymoon Suite** is private and tucked away on the edge of a small lush and shady forest with the Koornlands River gurgling along at its perimeter. Whilst it has all the delights of the Luxury Rooms, the Honeymoon Suite is unashamedly romantic with its large hearth, exquisitely carved four-poster bed and oversized bathroom.
- ♥ Positioned around a fragrant rose garden, peaceful fountains and landscaped shrubbery are eight **Luxury Rooms** that have their own patios, exquisite bathrooms, mini bar, tea/coffee facilities and tv. Handmade linen, goose-down duvets, pure wool carpets, open hearth fireplaces in the bedroom and under-floor heating and heated towel rails in the bathrooms all add to the luxury. Whilst the rooms retain the Victorian feel of the manor house, they are uncluttered and exude luxurious style and elegance.
- ♥ The **Family Cottage** is the restored Coach House at the top end of the property and boasts a loft area with two extended-length single beds for children and an extended-length king for parents. The **Family Suite**, situated with a commanding view of the gardens, has all the luxurious amenities of the other rooms and a separate room with two bunk beds accommodating up to four children.
