

## ULUSABA PRIVATE GAME RESERVE

### OVERVIEW

Ulusaba Private Game Reserve is the ultimate safari destination. Feel the adrenaline rush on sightings of the Big 5 on game drives! There are two beautiful lodges about 500m apart, and both lodges can be hired exclusively for larger groups. Rock Lodge is located high up on the summit of a koppie offering panoramic views of the Drakensberg Mountain range, while Safari Lodge is built along the banks of the dry Mabrak riverbed, in the heart of the wildlife.

### LOCATION/DISTANCE FROM AIRPORT

South Africa is served by direct flights from the UK and other major European hubs, with flight times to Johannesburg between 10½ and 11½ hours depending on your point of origin. From the US there are direct flights from the East Coast, with flight times of roughly 18 hours.

Ulusaba is approximately a 1 hour and 20 minute flight from the international airport in Johannesburg (JNB) flying by twin-engine aircraft, or 30 minutes from Nelspruit (NLP) and 20 minutes from Skukuza (SZK), via a charter air hop, which are the best airports to use if travelling from other destinations within South Africa. We have our own private Ulusaba airstrip (ULX) and there are daily scheduled and charter flights available. Get a window seat - the view's terrific!

You can also come by road too from Nelspruit, which will take about 2½ hours. Try and arrive by 1pm - just in time for lunch!

\*Times are based on direct flights to Ulusaba Private Game Reserve. Some flights may service all Lodges in the Sabi Sand so flight times for arrival may vary.

### CHECK IN AND CHECK OUT TIMES

Check in: 2pm

Check out: 11am

### HOW MANY ROOMS?

Ulusaba has 20 rooms and suites, spread over two lodges: Rock Lodge and Safari Lodge. Safari Lodge can accommodate 20 guests sharing 10 rooms and suites, whilst Rock Lodge can accommodate 20-25 guests sharing 10 rooms and suites, including Cliff Lodge which can accommodate five adults and can be hired independently for smaller groups. Should you wish to hire both lodges on an exclusive use basis, we would recommend a maximum group size of 40 people.

### WHAT ACTIVITIES ARE THERE FOR GROUPS?

When you hire one or both lodges at Ulusaba exclusively you can decide! In addition to the thrill of the twice daily game drives, there are safari walking tours, photographic tours and volunteer programs. There is also a gym and swimming pool per lodge, two tennis courts, plenty of viewing decks to take in the magnificent views and spa treatments for those who like to indulge.

In addition, you may wish to explore the surrounding areas by enjoying recommended cultural, wildlife and scenic tours. When darkness falls you can take a trip to our observatory in the middle of the Bush - we'll teach you about the star constellations visible in the southern hemisphere - or enjoy our wine cellar stocked full of local and international vintages with wine tasting or a braai (South African barbecue) under the stars with local entertainment.

If there's no escaping work, Ulusaba has all the necessary facilities for meetings and group sessions including wireless internet in a variety of setups - all with no extra charge. Its secure and remote location lends itself perfectly to high profile gatherings and team-building exercises.

### SEASONAL DATES

Any season is a great time to visit Ulusaba. The landscape changes with each season. Spring and summer temperatures (Oct-Apr) average 34°C/93°F. The days are glorious, the vegetation lush and the nights pleasantly warm. During autumn and winter (May-Sept) temperatures average 26°C/79°F, the days are moderately warm, whilst the nights are cool and crisp.

## DID YOU KNOW?

*Ulusaba's charitable arm, **Pride 'n Purpose**, is actively involved with the communities around the property, working to improve access to schooling and medical care as well as encouraging entrepreneurship. We organise community group tours to give guests a feel for daily life in the area and can also facilitate activities that will not only help with team-building but will also make a difference to people's lives.*

## HOW CAN ULUSABA BE BOOKED?

Mostly hotel style, however you can hire one or both lodges exclusively with a two night minimum stay. Exclusive use of a lodge is required when you take 7 rooms or more. You can also book smaller groups. Contact our sales and reservations office for availability.
