Knysna – 2–2.5 hr luxury sunset cruise on a luxury catamaran – Bubbly & braai included

Watch an exquisite sunset aboard a luxury catamaran while taking in the magnificent ocean views. Enjoy a magical sail across the Knysna Lagoon, through the famous Knysna Heads

and out onto the open ocean. Keep an eye out for pods of dolphins and other fascinating marine life.

Your cruise departs from the Sirocco Jetty in Knysna before venturing onto the Knysna Lagoon, navigating the famous Knysna Heads and exploring the spectacular scenery, as well as the marine and birdlife of the Indian Ocean.

Relax aboard the luxury catamaran while enjoying the delicious local flavours of the captain's braai. Sip on ice-cold bubbly as you savour a perfectly prepared steak and admire the breathtaking colours of the sunset.

Please note that sailing through the Knysna Heads and out to sea is weather-dependent, and tides may not always permit an ocean excursion. Rest assured, however, that you will enjoy an unforgettable experience, whichever route the cruise takes.

Knysna – 2.5 hr sunset cruise on a monohull yacht – with catering

Experience an enchanting Knysna sunset aboard the beautiful Outeniqua while sipping on a glass of chilled bubbly. Departing from the Knysna Quays, this unforgettable cruise takes you across the diverse estuary, through the famous Knysna Heads and, weather permitting, out into the Indian Ocean.

Relax as the experienced crew takes you on a memorable sailing adventure while you admire the breathtaking coastline and keep an eye out for the abundant marine life.

After your ocean voyage, return to the calmer waters of the Knysna Estuary, where a delicious sunset spread of savoury snacks, cheeses and seasonal fruit awaits. Raise a complimentary glass of bubbly as the sun dips below the horizon, painting the sky and lagoon in spectacular golden hues.

Please note that all cruises are ocean-going and are weather- and sea condition-dependent. The skipper will assess the conditions at the time of departure, taking into account the tide, wind direction, wind speed and sea swell. Sailing through the Knysna Heads and out to sea can therefore never be guaranteed.

Plettenberg trunks and tails – whale watching (01 June – 15 December), elephants and primates

Embark on an unforgettable ecological adventure beginning at Central Beach, where your whale-watching experience starts aboard a sea-cruising vessel.

Following an exhilarating beach launch through the surf, your skipper will navigate to the area with the highest likelihood of whale sightings, based on the prevailing weather, sea conditions and recent whale activity. In recent seasons, this has often been the offshore migration route affectionately known as the Humpback Highway.

Back on land, continue your journey with a visit to the Elephant Sanctuary, where you will enjoy a truly unique encounter with these gentle giants. Feed, touch, interact with and walk trunk-in-hand alongside these magnificent African elephants.

Your final stop is Monkeyland, the world's first free-roaming multi-species primate sanctuary. Enjoy a guided walk through the forest, crossing the spectacular 128-metre suspension bridge while observing a variety of primates in their natural environment.

Plettenberg feathers and tails – dolphins (16 December – 31 May), birds and primates

Embark on an exciting ecological adventure departing from Central Beach aboard a sea-cruising vessel. Following an exhilarating beach launch through the surf, cruise along the spectacular Plettenberg Bay coastline, passing the bird sanctuary, Keurbooms Beach and the iconic Arch Rock. Venture offshore in search of pelagic seabirds, with excellent opportunities to spot common dolphins and, on occasion, Bryde's whales. Cruise past the dramatic Robberg Peninsula, where you can admire its unique geology, observe the Cape fur seal colony and learn about the area's fascinating history. The dolphin cruise lasts approximately 1.5 hours.

Back on land, continue to Monkeyland, the world's first free-roaming multi-species primate sanctuary. Enjoy a guided walk through the indigenous forest, home to more than 700 primates, before exploring the restaurant, souvenir shop, viewing deck and spectacular 128-metre suspended canopy walkway.

Your final stop is Birds of Eden, the world's largest free-flight bird aviary, spanning 23 000 square metres of indigenous forest and home to more than 3 500 birds representing over 280 species. Wander along approximately 2 km of elevated boardwalks through the forest, ponds and waterfalls while enjoying this remarkable conservation experience.

Tsitsikamma – scenic as you please

The Tsitsikamma Section of the Garden Route National Park lies at the heart of the picturesque Garden Route in South Africa's Southern Cape. The name Tsitsikamma originates from the Khoisan people, the area's earliest inhabitants, and means "place of much water."

The National Park stretches along 80 km of spectacular rocky coastline, where dramatic cliffs, indigenous forests and pristine fynbos meet the Indian Ocean. This remarkable landscape also forms part of one of the world's largest Marine Protected Areas (MPAs), renowned for its rich marine biodiversity. Enjoy breathtaking views of the coastline and, if you wish, take an optional walk through the indigenous forest to the famous Storms River Suspension Bridge. Marvel at the towering 180-metre cliffs, deep river gorges and ancient forests that characterise this unique wilderness.

The park is also rich in cultural heritage, with fascinating Khoisan archaeological sites, including caves, shell middens and rock art, alongside remnants of early fishing settlements, historic forestry operations and old grave sites. Along the way, view the iconic Bloukrans Bridge, home to the world's highest commercial bungee jump, before visiting the charming Storms River Village, a bustling little town with a unique atmosphere and character.

Storms River – kayak & lilo adventure

Discover the hidden beauty of the Storms River Gorge on this unforgettable 2.5-hour Kayak & Lilo Adventure in Tsitsikamma National Park. This is one of the area's most popular activities, taking you deep into the spectacular gorge to explore tranquil pools, dramatic cliffs, hidden caves and ancient indigenous forest.

If sea conditions allow, you'll kayak across the ocean beneath the iconic Storms River Suspension Bridge before paddling into the magnificent Storms River Gorge. Should the ocean be unsuitable for kayaking, the adventure simply changes course. You'll enjoy a short guided walk through the indigenous Tsitsikamma Forest, cross the famous suspension bridge and begin your kayaking adventure further up the river.

As you paddle deeper into the gorge, you'll experience breathtaking scenery, including towering cliffs, secluded caves and crystal-clear water. At the upper reaches of the river, the kayaks are exchanged for inflatable lilos, allowing you to float peacefully through the narrow gorge and experience this extraordinary natural environment from a unique perspective. Once you've reached the end of the route, you'll float back to your kayaks before returning downstream.

Tsitsikamma adventure

Discover the spectacular beauty of the Tsitsikamma Indigenous Forest on Africa's first zip-line canopy tour. This unique eco-adventure takes you high into the forest canopy, where you'll glide from platform to platform along steel cables suspended up to 30 metres above the forest floor. As you journey through the treetops, you'll encounter ancient giant yellowwoods, hard pear trees, towering tree ferns and a remarkable variety of indigenous flora. Stand beside the magnificent Outeniqua Yellowwood and experience the scale and beauty of this ancient forest.

The 2–3-hour canopy tour begins with a comprehensive safety briefing, followed by the fitting of your harness and equipment. A short drive into the forest brings you to the first platform, where your adventure begins.

The tour features 10 zip-lines, the longest stretching 91 metres, connected by elevated platforms nestled amongst the giant trees. Accompanied by experienced lead and follow guides, you'll glide effortlessly through the canopy while learning about the forest's fascinating ecology.
