

Experience a Night of Adventure in Comfort

Drive, walk or horse ride to your exclusive campsite for the night, and spend the evening enjoying the African night skies around the campfire.

Leave the lodge after tea and head off into the wilderness in search of your camp, arriving in time for sundowners.

Cosy tents and hot bucket showers await you, with the option to pull your bed out and sleep under the stars if you wish, safely enclosed in a mosquito net dome.

You will be hosted by our excellent team who will cook for you on an open fire.

Wake up with the birdcalls the following morning and head back to the lodge by foot, car or on horseback, arriving back in time for a delicious breakfast and refreshing swim in the pool.
