EXPLORE

SUGUTA VALLEY & LAKE TURKANA

Depart at first light for a rare and breathtaking journey over northern Kenya's wild landscapes. Fly above extinct volcanoes, crocodile breeding grounds, striking rock formations, and desert dunes. Witness thousands of flamingos in graceful flight over Lake Logipi, a remote alkaline lake known for its vibrant pink shores and unique ecosystem. Continue over the southern tip of Lake Turkana, the world's largest desert lake and the famed Cradle of Mankind. Land at a secluded airstrip to enjoy a bush breakfast beneath an Acacia tree before returning to your lodge, having experienced one of Africa's most spectacular and untouched regions.

AVAILABLE TO GUESTS FROM:

LEWA, BORANA, SAMBURU, SASAAB : **\$3,800 | PRICE FOR UP TO 4 PAX**

OTHER CONSERVANCIES : **\$4,000 | PRICE FOR UP TO 4 PAX**

Other conservancies include : Loisaba, Ol Malo, Lolldaiga Hills, Mugie, Namunyak

FLY LOW OVER THE EWASO NG'IRO RIVER

Experience the magic of an early morning or late afternoon flight, gliding low over the valleys and ridges north of Lewa along the winding Ewaso Ng'iro River. Marvel at the vibrant daily life of the Samburu people below and spot majestic elephants gathering along the riverbanks. Your flight will touch down at a secluded bush airstrip, where sunrise guests are treated to freshly brewed coffee and a light breakfast, while sunset travelers unwind with a refreshing sundowner and snacks. After approximately 45 minutes on the ground soaking in the atmosphere, you'll be flown back to your lodge, completing an unforgettable journey filled with breathtaking landscapes, wildlife encounters, and cultural insight.

Morning Departures: 07:00

Afternoon Departures: 16:30

AVAILABLE TO GUESTS FROM:

LEWA, SAMBURU, SASAAB : \$1,000 | PRICE FOR UP TO 4 PAX

SOAR ABOVE

MOUNT KENYA

Begin your day with an early drive to the airstrip for a 6:45am departure to view the majestic peaks of Mount Kenya from 15,000 feet. After takeoff, enjoy sweeping views of wildlife roaming the savannah before the aircraft climbs over forests, lakes, and farmland. The flight circles the mountain, offering breathtaking, panoramic views of its snowcapped peaks from every angle.

Please note, this flight is weather dependent and only operates on clear days to ensure the best visibility of the mountain.

AVAILABLE TO GUESTS FROM:

LEWA, BORANA: \$1,000 | PRICE FOR UP TO 4 PAX
