KAPAMA GAME RESERVE

Immerse yourself in the peacefulness of the African bush at the luxurious Kapama Private Game Reserve. Spanning over 15,000 hectares of pristine South African bush, Kapama offers the perfect sanctuary for a wide variety of wildlife.

Five luxury lodges offer our guests the choice of the ultimate safari experience. The secluded sanctuary of our reserve offers everything from the old-world charm of Buffalo Camp, the welcoming warmth of Southern Camp, the dynamism of River Lodge, an exclusive use residence at Kapama Kruger Homestead, and an unrivalled level of luxe at our flagship lodge, Kapama Karula. And if you want to tick off an item on that bucket list and sleep under the stars, the romantic sleep-out platform will make many a dream come true.

Whether it's relaxing around the pool, going for a walk through the bush with one of our skilled guides or lounging at our spa and wellness centre, there is no schedule at Kapama and the only requirement is to make treasured memories.

LUXURY SUPERIOR VILLAS

Our superior villas feature wrap-around glass sliding doors that open onto an outside deck area with stunning views of the Klaserie River. Enjoy something refreshing from your minibar while lazing around in your heated pool or relaxing on the patio.

After a day in the bush, you can take a spectacular shower under the stars in your outdoor shower or, if the weather's a bit chillier, cuddle up in your opulent villa while sipping champagne or any of our selection of fine wines available to you.

Aircon in the suites ensures you'll always be comfortable and a Nespresso coffee machine means you can wake up to the smell of your favourite roast, warm and aromatic.
