WILD ANIMALS

Safaris in Africa entail a certain degree of risk. We advise our guests to always consult their guide before undertaking any activity that may bring them into an area populated by wild animals and all guests must adhere to the directions provided by their guide or tour leader and at each camp. Please be aware that these safaris may take guests into close contact with wild animals. Attacks by wild animals are rare, but no safari into the African wilderness can guarantee that this will not occur. To the extent permitted by law, neither The Safari Collection, nor its employees, nor its agents can be held responsible for any injury or incident on the safari.
