PROPERTY DESCRIPTIONS

BASECAMP MARA HOUSES

Basecamp Mara Houses is a unique property that offers complete seclusion and privacy for the ultimate in luxury safari experiences.

Hidden away in a tranquil and wildlife-rich valley that overlooks over the Mara plains, each of the 3 houses forms a self-contained world for either a family or a group of friends and give a very special feeling of “home away from home” in the middle of the exotic African bush.

At Basecamp Mara Houses, located on the beautiful and diverse Mara North Conservancy, you can enjoy the experience of having your own private holiday home in one of Africa’s most iconic wilderness areas. Each house features a large private verandah overlooking a busy waterhole where many animals come to drink.

Basecamp Mara Houses, a pioneer in partnership with the Masai community, offer complete flexibility in terms of activities and meals – your days can unfold exactly as you would like them to, with meals whenever and wherever you wish.
